Marc,

How's it going? It's been awhile since we've talked.

We are getting ready to go into buying mode again. I was wondering if you could help us with some quotes?

We need 20 Canon Powershot SX20 IS digital cameras with 20- 2 GB SD cards. We'd like the speed to be at least 130X if possible.

Let me know if you have any questions...

Thanks,
