Thank you so much for your support for the
St. Bonaventure /Warren dual-enrollment
program, and for your support for myself as a participant
in this program. The fall semester finished well
and I am pleased with my grades and performance
during that. We have moved to our new, permanent
facility in Penegrove to start the spring semester
and it is wonderful. Thank you again,

Dear Board of Education,

I'd like to thank you for your generous scholarship I received to support my first semester in the St. Bonaventure/ Warren Dual Enrollment program. Because of your support, I've been kept too busy with classes to send you my thanks earlier! Dual Enrollment has helped me explore college possibilities in ways that never would have been possible before. It has provided unique challenges, in depth learning, and the over-all college experience. Thank you for supporting my education!

Sincerely,
Meghan Tubbs

Dear Board of Education:

Thank you very much for the generous scholarship you provided to me for this fall semester classes. I was excited about having an opportunity to be able to participate in the SBU Dual Enrollment, so with the scholarship that I received, I was able to pursue these classes. Thanks to you I have been able to earn college credits while still in high school without the struggle of paying my tuition fully. I have now completed my first ever college semester at SBU. I took French 101, English Composition and Critical Thinking, and Pre-Calculus, and I am looking forward to my classes for the Spring 2010 semester.

Sincerely,
