5 10950 USE OF SERVICE ANIMALS
6

7 In accordance with this Policy, the District shall permit students and other individual with
8 disabilities to use service animals in District buildings; on District property; and on
9 vehicles that are owned, leased or controlled by the District, upon request and submission
10 of required documentation. "Service animal" as used herein shall mean any guide dog,
11 signal dog, or other animal individually trained to do work or perform tasks for the
12 benefit of an individual with a disability.
13

14 Use of Service Animal for Educational or Employment Purposes
15

16 An individual with a disability must submit a request to bring a service animal to school
17 for educational or employment purposes. However, there is no automatic right to be
18 accompanied by a service animal in the school setting.
19

20 Before a service animal shall be allowed in a District building, or on District property or
21 vehicles, the owner or handler of the animal shall submit to the building principal a
22 written request and the following documentation from a certified professional:
23

- 24 1. Diagnosis of the specific disability.
 - 25 2. Verification of the need for a service animal.
 - 26 3. Description of the function(s) the service animal is expected to perform in
27 relation to the individual's disability.
 - 28 4. Current license.
 - 29 5. Current veterinary health certificate.
 - 30 6. Proof of current vaccinations and immunizations of the service animal.

37 Use of Service Animal for Non-Educational and Non- Employment Purposes and for
38 Public Events
39

40 Individuals with disabilities may be accompanied by their service animals while on
41 District property for non-educational and non-employment purposes (e.g. while visiting a
42 school) and for events that are open to the general public. In these instances, which are
43 more likely to be temporary in nature, a written request (as outlined above) shall not be
44 required. However, District personnel may inquire of the owner or handler of an animal
45 whether the animal is a trained service animal and the specific tasks that the animal has
46 been trained to perform. District personnel shall not ask questions about an individual's

1 disability, and the District shall not require an owner or handler of a service animal to pay
2 an extra charge for the animal to attend events for which a fee is charged.

3
4 Responsibilities of Owner or Handler of Service Animal

5
6 The owner or handler of a service animal shall be solely responsible for:

- 7
8 1. Supervision and care of the animal, including any feeding, exercising, clean
9 up and stain removal.
10
11 2. Leashing and properly restraining the animal at all times.
12
13 3. Damages to District buildings, property and vehicles caused by the animal.
14
15 4. Injuries to students, employees, volunteers and visitors caused by the animal.
16
17 5. Submission of appropriate documentation to the District in accordance with
18 this Policy
19

20 Procedure for Service Animal Written Requests

21
22 When a written request is required, the Superintendent or his/her designee shall receive
23 each completed written request by an individual with a disability to be accompanied by a
24 service animal and respond to the request. With the exception of requiring
25 documentation from a certified professional as indicated above, the District personnel
26 shall not ask questions about an individual's disability.
27

28 Exclusion of Service Animals

29
30 The District may exclude a service animal from District buildings, property and vehicles
31 under the following circumstances:

- 32
33 1. Presence of the animal poses a direct threat to the health and safety of others.
34
35 2. Owner or handler is unable to control the animal.
36
37 3. Presence of the animal significantly disrupts or interferes with the educational
38 process.
39
40 4. Presence of the animal would require a fundamental alteration to the program.
41

42 Implementation

43
44 The Superintendent or his/her designee shall develop a model written request form to be
45 used in those instances when an employee or student desires to bring a service animal to
46 school for educational or employment purposes. Additionally, the Superintendent or

1 his/her designee shall develop administrative regulations to implement this Policy and to
2 ensure that all individuals involved in a situation where a service animal will regularly
3 accompany an owner or handler in District buildings or on District property or vehicles
4 are informed of this Policy and the administrative regulations governing this issue.
