

Community Foundation Request – SSELTC Traverse Rock Climbing Wall

Grant Overview:

South Street Early Learning Center received \$8,857.00 from the Highmark Health High 5 School Challenge grant. Expenditures of the grant are to focus on equipment that promotes the health of children. SSELTC is using the grant to purchase a Traverse Rock Climbing Wall and Railyard Fitness Course. Total costs for the equipment are \$9,865.69.
