Brief Explanation of Expectations from the Warren County School District:

My current enrollment in the Directors Certification Program at Indiana University of Pennsylvania (IUP) requires completion of an Internship. Don Gamble, Director of Career Technical Personnel Preparation at IUP, has advised me to begin my Internship. I would like to formally request an Internship at the Warren County Career Center under the direction of Delores Berry. A portion of the internship may be completed at WCCC and the remainder of the Internship will be completed under the supervision of another Director in Pennsylvania. District approval for this Internship will facilitate my Individual Professional Goal requirement. I would appreciate District support to begin this Internship in early Fall 2011.

If not employed by the Warren County School District, please attach copies of your current (less than one year old) Act 34, PA Child Abuse History Clearance, FBI Clearance and TB test results.

Please attach the criteria and guidelines from the college/university and return this form to the Office of Human Resources. Thank you!
