Executive Summary
Topic: AppSense Environment Manager Software License Renewal
Meeting Date: December 19, 2011

Summary

A maintenance contract and licensing renewal is due for AppSense Environmental Manager. AppSense Environmental Manager is infrastructure software that allows the Technology Department to make changes to a centralized platform that manage software deployments, user personalization, computer policies effecting each user's session and overall experience. This software is used in conjunction with Microsoft and Citrix's platform of server technologies to deliver the applications, files and access necessary for district operation.

The funding for this renewal will come from the Technology Capital Reserve account.

Recommended Motion

That the Board of School Directors approves the quote from the AEC Group for AppSense Environment Manager for the amount of $28,470.
