RECEIVED DEC 05 2011

Dear Superintendent,

The enclosed documents are required for the ELECT, Education Leading to Employment and Career Training, grant for teen parents. It is required for the completion of our ELECT grant application.

We will be applying to extend program funding this Spring. We are sending the form in advance so that your board approval can be made to continue working with the pregnant and parenting teens in your district. Services are provided no cost to your district. Districts do need to provide attendance and school records on students for PDE files.

Please sign and return this form **by February 28, 2012** to:

Debbie Gifford
Thurston House
870 Thurston Road
Meadville, PA 16335

Thank you for your help with this.
