3.1 Thurston House Service Agreement

Discussion: The Thurston House Program provides support to two programs: Pregnant and Parenting Teen Program and Education Leading to Employment and Career Training (ELECT). Students may participate in either or both programs.

The first program helps to provide adequate nutrition to teen mothers-to-be, mothers, and their children and increases their access to transportation and child care. The program focuses on parenting skills.

The ELECT program helps to prepare the teen mothers for the job market and assists them in locating and maintaining employment.

The Thurston House Program is funded by the state with no cost to participating school districts.

Action: This will be forwarded to the Board for approval.

Motion: That the Board of School Directors continues the agreement to participate in services to pregnant and parenting teens and the ELECT program as administered by Thurston House.
