

WIRELESS & NAC PROPOSAL

Prepared for:

WARREN COUNTY SCHOOL DISTRICT

Brian Collopy

Director of Technology

Sept 3rd, 2012

Corporate Summary

For over 10 years, the Openarc team has successfully partnered with schools to leverage open technologies and build world-class learning environments to meet the challenges of education. Openarc specializes in network infrastructure and IP Telephony, wireless and security, SAN and virtualization, servers and applications specifically design for education. Openarc team is helping schools build world-class learning environments we need to meet the challenges of the future - learner-led, technology-enabled, and inspiring every young person to meet their full potential.

Project Overview

The Warren County School District is looking for OpenArc's assistance on a implementing a partial district wide centrally manage wireless solution to allow then to access their network securely from anywhere in the district.

The Warren County School District is looking for OpenArc's assistance on implementing a Network Access Control (NAC) system to help police student laptops and the vulnerability threats they pose to the network.

Scope of work

- Install Wireless Access Points throughout the district, tapping to existing wiring to save on wiring and switching cost.
- Install and configure server based controller to manage wireless infrastructure
- Install security/NAC server
- Recommend and/or assist to implement changes as require
- Configure additional VLANs for NAC registration and remediation
- Integrate all network switches with the NAC server
- Integrate wireless network to communicate with NAC server
- Test wireless and NAC
- Training

Timeline

This project will take approximately five week to implement.

Cost

This project is estimated at:

\$ 18,470.00	Wireless Hardware
\$ 9,770.00	Wireless Installation and Configuration
\$ 2,200.00	Wireless Maint and Support (1Year)
\$ 23,600.00	NAC Server Hardware
\$ 1,200.00	Software Licensing
\$ 14,720.00	NAC Implementation and training
\$ 3,400.00	NAC Server Support per year
<hr/>	
\$ 73,360.00	Subtotal

Entire Agreement

This Agreement, including the attached exhibits, constitutes the entire Agreement between both parties concerning this transaction, and replaces all previous communications, representations, understandings, and Agreements, whether verbal or written between the parties to this Agreement or their representatives. No representations or statements of any kind made by either party, which are not expressly stated in this Agreement, shall be binding on such parties.

Amendments in Writing

No waiver, amendment or modification of any provisions of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the party against whom such waiver, amendment or modification is sought to be enforced. Furthermore, no provisions in either party's purchase orders or in any other business forms employed by either party will supersede the terms and conditions of this Agreement.

Non-Solicitation

Neither party shall solicit for employment or hire the other's current or future employees, either directly or indirectly, during the Term of this Agreement, without obtaining the other's prior written approval. Should an employee change employment from one party to the other, the new employer shall pay the old employer a fee equivalent to Twenty Percent (20%) of the employee's new compensation, annualized for the first year.
