28.00 Total Credits for Graduation

In order to graduate from the District, the student must demonstrate proficiency in the Pennsylvania System of School Assessment (PSSA) in mathematics, writing, and reading in grades 11 and/or 12. Students who do not score at the proficient level or above on the PSSA Reading and Mathematics will be administered the Metropolitan Achievement Test, Eighth Edition (MAT 8), the District's approved alternative assessment. Students must achieve a defined scaled score to achieve proficiency on this assessment during their junior or senior year. The required minimum scaled scores will be increased to keep pace with increases to the PSSA proficiency level as mandated by PDE to meet NCLB federal guidelines. In addition, a student failing to achieve proficiency or above in the grade 11/12 PSSA Writing Assessment must be evaluated at a proficient level on a nationally recognized standardized assessment.

5 The Graduation Project will be recorded the student's senior year. The course titled
6 Senior Project will be graded Pass/Incomplete and will not count towards a student's GPA.
7

8 The student's highest PSSA, grade 11 or 12, score in mathematics, reading, and writing
9 will be recorded on his/her transcript.
10

11 "... Children with disabilities who satisfactorily complete a special education program
12 developed by an Individualized Education Program team under the Individuals with
13 Disabilities Education Improvement Act (IDEIA) and this part shall be granted and issued a
14 regular high school diploma by the ..." District.
15

16 The Superintendent or his/her designee is charged with reviewing the MAT 8
17 proficiency levels in reading and mathematics and local proficiency level in writing every two
18 (2) years in order to determine new proficiency standards or reaffirm those in use. The
19 Superintendent or his/her designee is authorized to develop procedures for implementation of
20 this policy.
