

Carnegie Mellon Institute for Talented Elementary and Secondary Students (C-MITES) Grant Summary

Grant Overview: The Warren County School District Learning Enrichment Center is offering the exciting and fun Carnegie Mellon Institute for Talented Elementary and Secondary Students (C-MITES) summer program for identified gifted students. The program will be offered to students currently in the 3rd – 5th grades.

The program is scheduled for July 8-12, 2013. The course offered will be Explorations in Science, where students explore careers as a paleontologist, geologist, medical technician, and ecologist.

The cost is \$390 for students who have taken the C-MITES EXPLORE test, or \$465 (financial aid is available) for those who have not taken the test. Payment is made directly to C-MITES. The course will meet daily from 9:00 a.m. until 3:00 p.m. at the Learning Enrichment Center in Warren.

The administration requests permission to submit a grant request of \$4,725 to the Community Foundation of Warren County to fund a majority of the program cost. The submission will subsidize up to fifteen (15) students at \$315 each, with families being responsible for the remainder.

This will be the fifth year the C-MITES programming has been offered at the LEC.
