

## **2013-14 CVS Caremark Community Grant**

Grant Overview: CVS Caremark Community Grants support programs that build healthy habits and that are designed to help people achieve their best possible health outcomes. These programs can be in a community setting or in a public school.

At this time, teachers at two district buildings have shown interest in applying. Their proposals are as follows:

- Sheffield Area Middle High School: The Physical Education and Family Consumer Science teachers work with SAMHS eighth graders to demonstrate lifelong physical fitness activities and healthy nutrition/snack options.
- Sugar Grove Elementary School: “Get Up and Go” cross-country skiing physical fitness program for up to twenty-five students. The grant would provide ski equipment, and allow for teaching a lifelong physical activity and the benefits of physical activity/fitness.

Amount of Award: Up to \$5,000.00 for each application.

Due Date/Notification of Award: Due November 15, 2013. Notification should be within 1-2 months of submission.

Alternatives if not Awarded: The proposed equipment will not be purchased without the grant funding.

WCSD Resources Required: None.

Administrative Recommendation: The Board of Directors instructs the administration to work with interested WCSD teachers to apply for CVS Caremark Community Grant funds of up to \$5,000 for each application for qualified proposals focused on programs that build healthy habits for students.
