

School Climate Transformation Grant Summary

Grant Overview: The School Climate Transformation Grant Program provides funding to develop, enhance, or expand systems of support for, and technical assistance to, schools implementing an evidence-based multi-tiered behavioral framework for improving behavioral outcomes and learning conditions for all students.

The administration is considering an application to establish a School-wide Positive Behavior Support Program in the Warren County School District. WPBS refers to a systems change process for an entire school or district. The underlying theme is teaching behavioral expectations in the same manner as any core curriculum subject.

The grant, if awarded, will serve as a complement to the proposed NITT-Project AWARE Grant.

Amount of Award: Up to \$750,000 per year for up to five (5) years.

Due Date/Notification of Award: June 23, 2014. Notification to follow review by funder.

Alternatives if not Awarded: None.

WCSD Resources Required: None.

Administrative Recommendation: That the Board of School Directors instructs the administration to develop an application to the US Department of Education, School Climate Transformation Grant, with the intent of establishing a School-wide Positive Behavior Support program in the Warren County School District.
