

9/21/14

We are requesting permission from the Warren County School District to allow us to donate a semi-permanent concession stand at the Eisenhower soccer field. The best location would be located next to the existing storage shed.

The following parents/business have agreed to donate towards this project. After the school board approval, we will seek additional donations.

Skylon Inc.
Sugar Grove, PA
Scott & Diana Elmquist

Valley Bowling
Youngsville, PA
Dale & Kellie Johnson

Warren Midtown Motors
Warren, PA
Kevin & Ro Ruttenbur

The proposed concession stand specifications are as follows:

10' x 12' salt box
26" overhang (at the window)
Handicapped accessible 36" door with ramp
Shelving for storing 9 totes
State Blue Metal roof (as close as we can get to Eisenhower blue)
2- translucent roof panels for light inside
R-foil insulation under roof
Birch stain with rustic brown trim
Pressure treated skids 4" x 6"
16" on center floor joists
Pine kiln dried board and batten walls

The approximate time frame to have the stand built is 30 days, and the cost to complete is \$2,400.

Thank you for your time and consideration,

A handwritten signature in dark ink, appearing to read 'Kevin Ruttenbur', with a stylized, looping flourish at the end.

Kevin Ruttenbur
