#### **4.0 Informational Items**

4.1 Athletic Trainers – PACCA – Mrs. Marcy Morgan

There was a presentation by Mr. Gary Weber and Mr. Rick Gignac regarding Athletic Trainers. Advantages to having an athletic trainer present at athletic events include immediate assessment, care, monitoring, injury management, injury/illness prevention and emergency care at time of injury. In the past, two trainers provided full time coverage to all four attendance areas. The option of giving priority to the more injury prone sports versus covering every event was discussed. The Committee was asked to work on an estimate of the time involved to provide an athletic trainer for every athletic event. Ms. Marcy Morgan requested that Mr. Weber and Mr. Gignac check with other school districts to see what they expect their athletic trainers to cover.
