ACT 93 ADMINISTRATORS/CERTIFICATED

BOARD APPROVED: _____

1 I. DEFINITION

2
3 The terms of this plan shall apply to members of the administrative team
4 defined within the provisions of Act 93, Section 1164.

5
6 II. ADMINISTRATOR EVALUATION

7
8 Each administrator will participate in two evaluation sessions
9 annually. The first, to be held on or about January 15th, will be conducted
10 orally but notes of the session should be retained. On or about May 15 a
11 more formal, written evaluation conference will be held.

12
13 III. SALARY RANGE DEVELOPMENT AND ADJUSTMENT

14
15 ~~Initial salary ranges shall be approved by the School Board. The Board~~
16 ~~will consider adjusting at conclusion of the current Plan.~~

17 **Effective July 1, 2014, salaries will be those shown on the attached**
18 **Exhibit A. As discussed between the District and the Act 93 group**
19 **representatives, any salary increases for years two and three will be**
20 **determined by the Board in its discretion on or before July 1 of each**
21 **new year. The increases will take into account, generally, an**
22 **employee's years of service, a predetermined market range for the**
23 **type of position, and an inflationary index determined each year by**
24 **the Board, in its discretion.**

25
26 **Upon recommendation from the Superintendent, the School Board**
27 **may provide a stipend for any administrator. Such stipend will be**
28 **provided only for the single year for which it is approved and must be**
29 **approved each year in order to be given for that year. The stipend**
30 **will be in addition to, and not a part of, the base salary of each**
31 **employee and therefore shall not be included in any calculation of**
32 **annual raises. In addition, any such stipend approved by the Board**
33 **may be removed by the Board at any time, based on the Board's**
34 **discretion.**

35
36 IV. PLACEMENT ON AND MOVEMENT THROUGH THE SALARY RANGE

37
38 Starting salaries will be determined at the time of hire by recommendation
39 of the superintendent.

40
41 V. EVALUATION TOOLS

42
43 The following tools will be used in the evaluation process:

44
45 A. Administrator Evaluation Report

46
47 In Appendix B the administrator Evaluation Report cover sheet is
48 shown. It shall summarize the result of the evaluation, *or the State*
49 *approved model will be used when applicable.*

50
51 In addition to it, the following should be attached in outline or
52 narrative form:

- 53
54 1. In areas where the employee has exceeded district
55 expectations, specific supporting examples and comments
56 must be cited.
57

2. If “NEEDS SOME IMPROVEMENT” or “NEEDS MAJOR IMPROVEMENT” are checked, then specific supporting examples and comments are required.
3. Describe those aspects of an individual’s work performance which most contribute to or detract from his/her effectiveness.
4. Comment on any pertinent actions and/or discussions which occurred with this employee during the course of the year.
5. Identify specific, prescribed steps to be taken to improve performance. These may result from checking “needs some improvement” or “NEEDS MAJOR IMPROVEMENT” as well as from other observed areas where growth would be helpful and/or challenging.
6. Comment on other pertinent aspects or changes that would benefit the district and/or the individual.
7. Identify present and potential goals for growth.

B. Administrator Activity Review

In Appendix C the Administrator Activity Review is shown. It is to be completed annually by each administrator. However, completion of page two is optional.

VI. FRINGE BENEFITS

A. Benefits

The Board agrees that during the term of this Plan, employees covered by this Plan shall be afforded fringe benefits equal to or greater than those granted between the Warren County School District and the Warren County Education Association.

(The specific benefits associated but not specifically listed with this portion of the Plan would include Group Health Benefits; Dental Insurance; Parent Leave; Sabbatical Leave; Military Leave; Jury Leave; Other Leaves; and Funeral Leave.)

Act 93 employees that qualify for health care coverage may receive an annual \$ 1,000 buyout if they opt to be covered by a provider plan outside of the WCSD. This does not apply to any employee who may be covered by the district’s plan through a spouse or family member.

B. Life Insurance

One hundred percent (100%) of the premium for a \$100,000 term life insurance per the policy plan will be paid by the Board for the life of this Plan. The Act 93 group member has the option to purchase additional insurance, per the policy plan, to a maximum of \$50,000 at his or her cost.

Coverage and benefits of the District plan are more fully explained in the Employee Group Benefits booklet.

C. Vacation

1. All 260 Day Administrators

Years of Service (in PSERS and/or another state retirement system)	Vacation Days
1 - 10	15 days
11 - 24	20 days
25 and over	25 days

In addition, two floating vacation days are also available to administrators. However, these days must be used the week of Christmas break or of July 4th. If not used, they may not be carried over. Dates will be determined when the calendar is developed.

Administrators are not to take more than five consecutive days of vacation while school is in session.

Up to five vacation days may be rolled over into the next year, but must be used within 1 month (by August 1st). Five unused days may be contributed into administrator's 403(b) account at the per diem rate of the year they were to be used. Five unused days may be converted into sick days. The administrator shall have no cash option to this benefit. Payroll must be notified by June 15th of administrator's intentions.

In the event an administrator retires *or resigns* after July 1, vacation will be prorated.

2. Flex Days (for 220 day administrators)

Administrators working 220 days will work the same 186 days as the teachers with an additional 34 days as determined annually by the district. With the approval of his/her designee principals may substitute up to four (4) scheduled work days for other days.

D. Sick Leave

1. Thirteen (13) days for 260 day administrators and eleven (11) days for 220 day administrators.

In the event an administrator retires or resigns after July 1, sick leave will be prorated.

E. Holidays

1. For 260 day administrators:

New Year's Day	Thanksgiving Day
Good Friday	Day following Thanksgiving
Memorial Day	First Day of Deer Season
July 3	Day before Christmas
July 4	Christmas Day
July 5	Day after Christmas
Labor Day	

1
2 F. Personal Days

- 3
4 1. Personal days for administrative personnel are three (3) days
5 per year, with a maximum accumulation of five (5) days per
6 year.
7

8 In the event an administrator retires or resigns after July 1,
9 personal days will be prorated.

10 G. Retirement

- 11
12 1. Participation in the Pennsylvania State Employees Retirement
13 System.
14
15 a) Administrators of the District who have served at least
16 ten (10) consecutive years in the District shall upon
17 retirement receive a salary payment equal to the product
18 of \$50.00 times the number of unused accumulated sick
19 days credited to the employee's record.
20
21 b) Effective July 1, 2013, Administrators who have at least
22 ten (10) years of service in the District, including at least
23 three (3) immediately prior to retirement, shall receive a
24 special one-time payout of \$3,000, payable to sometime
25 during the final semester of employment prior to
26 retirement, so long as the Administrator submits in
27 writing an irrevocable retirement notice 180 days prior to
28 the retirement date. If illness requires retirement,
29 consideration shall be given to payment of the special
30 increment on the basis of the facts in the individual case,
31 as determined by the District administration. This special
32 bonus is a one-time payment and shall not be considered
33 part of the salary for any other purpose, including
34 calculation of the PSERS retirement benefits.
35

36 **OPTION 1 -AGE 55, 20 YRS SERVICE, 10 CONSECUTIVE (USE SICK DAYS)**

- 37
38 • Any Administrator who retires from the District and is
39 55 years old with twenty (20) years of service, at least
40 ten (10) consecutive years of which are in the District,
41 (is entitled to fifty dollars for each unused sick day)
42 may elect to use all or part of such accumulated sick
43 leave to cover medical insurance until he/she attains
44 the age of Medicare eligibility (currently age 65). The
45 retiree will receive their sick day entitlement check
46 from the District. The District will then take the net
47 amount from this entitlement check and divide the net
48 amount by the number of sick days the retiree
49 received. This amount will be what the employee owes
50 for **each** sick day to the District. They may use their
51 sick days on the basis of the following formula:
52

53 For example, if the employee who is retiring is entitled
54 to \$5,000 for accumulating 100 sick days, the net
55 amount he would receive would be \$3,500. (Note:
56 This is only an illustration). This would be the
57 equivalent of \$35 per sick day. If the employee was

retiring with 29 years of service within the District and was seeking individual coverage, he would owe the District \$70 per month for that type of coverage. However, the employee also would owe the District an additional \$30 per month since the current PSERS subsidy is \$100 per month.

10-14 years service within the District	4 days per month - Individual
	6 days per month - Emp./Spouse
	8 days per month - Family

15-24 years service within the District	3 days per month - Individual
	5 days per month - Emp./Spouse
	6 days per month - Family

24-29 years service within the District	2 days per month - Individual
	3 days per month - Emp./Spouse
	4 days per month - Family

30+ years service within the District	1 days per month - Individual
	2 days per month - Two-Party +

The employee will be responsible for the net amount paid to the District as described above. However, in no event, will the amount owed to the District be less than the subsidy a retired employee is to receive from PSERS (premium assistance), which is subject to change. Any difference between the monthly net amount paid for sick days and the premium assistance subsidy available to the retiree must be paid one month in advance.

- If an employee elects to use their sick days for medical insurance and do not have enough days to get them to the age of Medicare eligibility, they will be responsible to pay the entire cost of the monthly premium for the additional years if they choose to stay on Warren County School District insurance.

OPTION 2- AGE 55, 20 YRS SERVICE, 10 CONSECUTIVE (NO SICK DAYS)

(Sick days not used toward purchase of medical insurance.)

- For employees who retire from the District at the age of 55 or older with twenty (20) years of service, at least ten (10) consecutive years of which are in the District, the Board will pay toward their medical insurance from the time of the employee's retirement until such employee shall attain age of Medicare eligibility an amount equal to the rate which was in effect on the date of retirement. In the event of future premium increases, the retiree will be required to pay the

1 difference between the Board's share rate in effect on
2 the retiree's retirement date and the new premium
3 effective each renewal year.
4

5 For example, if a teacher retires and applies for
6 coverage for him/herself and his/her spouse
7 (Employee/Spouse), and the cost of that coverage is
8 \$900 per month, the Board is responsible for paying
9 \$900 per month until the employee attains the age of
10 Medicare eligibility. The employee is responsible for
11 paying the employee's contribution (currently \$75.00
12 per month), which is subject to change, and any
13 increases in the monthly cost of coverage over the
14 \$900 which is the Board's share.
15

16 *The employee will be responsible for the sum of the employee*
17 *contribution toward premium (subject to change) and*
18 *increases to the total cost of health care premium following*
19 *employee's retirement. However in no event will the payment*
20 *be less than the subsidy for such benefit a retired employee is*
21 *eligible to receive from PSERS (premium assistance).*
22

23 **OPTION 3-SUPERANNUATION**

24

- 25 • Administrators who retire from the District on normal
26 superannuation (currently, the member must be age
27 62 with at least one year of credited service; or, the
28 member must be age 60 with 30 or more years of
29 credited service; or, the member must have 35 years
30 of credited service regardless of age) retiree shall be
31 entitled to continue to participate in group health and
32 dental plans of the District listed, until they attain age
33 of Medicare eligibility by making specific arrangements
34 to pay the entire cost of the premiums to the District
35 one month in advance.
36

37 **OPTION 4- COBRA**

38

- 39 • All other retirees shall be eligible for COBRA or any
40 subsequent federal health continuation plan that may
41 be in effect at the time of the employee's retirement by
42 making specific arrangements to pay the entire cost of
43 the premiums and any administrative fee.
44

45 H. **Dues/Membership**

46

- 47 1. Annual Dues for membership in a professional organization,
48 approved by the Superintendent, will be paid by the District. The
49 dues amount shall not exceed the cost of annual membership to the
50 NASSP or NAESP. This benefit shall be made available to all Act 93
51 employees.
52
- 53 2. Up to \$1,000,000 of liability insurance coverage can be
54 purchased using dues for administrators.
55
56

1
2 I. Conferences
3

- 4 1. All Act 93 personnel will have conferences pre-approved by the
5 appropriate Director and/or the Superintendent.
6

7 J. Mileage Reimbursement
8

- 9 1. The mileage reimbursement for Act 93 personnel will be at the
10 prevailing IRS rate.
11

12 K. Tuition Reimbursement
13

- 14 1. Each fiscal year the Warren County School District will provide a
15 tuition reimbursement account for Act 93 administrators with a
16 beginning balance equal to sixty (60) credits at the Pennsylvania State
17 University rate. Tuition reimbursement will be paid out of this
18 account on a "first come, first serve" basis with a maximum of 15
19 credits paid out to any one (1) administrator each fiscal year. Once the
20 monies are exhausted from this account due to tuition payouts, no
21 further monies will be available until the next fiscal year. Any monies
22 remaining in this account at the end of each fiscal year will be
23 reallocated to the general fund. Sequence programs should be
24 submitted prior to starting to review courses and sequence.
25
26 2. Courses must be approved in writing in the case of each
27 employee by the Superintendent or his/her designated
28 representative prior to the beginning date of the course. Prior
29 oral approval shall be acceptable in emergencies if confirmed in
30 writing by the Superintendent. Courses must be at the
31 graduate level, be related to school administration, and lead to
32 a certificate, degree or letter of completion.
33
34 3. Evidence of successful completion of the course must be
35 presented along with a receipted tuition statement to the
36 Superintendent or his/her designated representative within 30
37 days of completion. The amount of reimbursement shall be
38 limited to actual tuition charged for credits earned to a
39 maximum rate per credit equal to that charged by the
40 Pennsylvania State University for A's & B's. C's are reimbursed
41 at 75 percent of the actual tuition rate not to exceed 75 percent
42 of the Pennsylvania State rate. No reimbursement shall be paid
43 for a course resulting in a grade below "C."
44
45 4. To be eligible for reimbursement, a person must be under full-
46 time annual contract to the district at the time the course work
47 is taken, when reimbursement is requested and when payment
48 is made.
49
50 5. There can be no reimbursement of tuition unless the tuition
51 has been paid by the individual, i.e. if attending under a grant,
52 fellowship, scholarship, or similar program wherein tuition is
53 provided, there shall be no reimbursement of tuition by the
54 school district.
55
56 6. Professional personnel on medical leave or maternity leave may
57 make a request for tuition reimbursement, which shall be

1 reviewed by Personnel, Athletics and Co-Curricular Activities
2 Committee, who shall make a recommendation to the Board to
3 grant or deny.
4

- 5 7. Professional employees of the school district shall, under
6 regulations governing such payments, be eligible to receive
7 reimbursement of one-half tuition costs and fees for the late
8 registration, when such registration is due to the school district
9 employment requirements.
10
11 8. Reimbursement is contingent on the employee providing three
12 (3) years of actual professional service to the District after
13 completion of any course. If an employee is reimbursed and
14 fails to remain employed and on duty in the District for three
15 (3) full years after completion of any course, he/she shall be
16 obligated to repay the District for the full amount of the
17 reimbursement. The district may withhold such amount from
18 any payments due the employee.
19
20 9. When an administrator leaves the district for any reason other
21 than death or disability including but not limited to alternate
22 employment, retirement, or involuntary severance, he/she
23 agrees to reimburse the district all funds paid by the district on
24 his/her behalf for tuition or tuition reimbursement during the
25 three (3) years immediately preceding his/her last day of
26 employment in the district.
27

28 L. Battery Leave Bank
29

30 Battery: A violent physical attack that causes injury requiring
31 hospitalization and/or medical treatment. The employee loses
32 work under doctor's orders for recovery.
33

34 1. Membership
35

- 36 a. The Battery Leave Bank is intended for the voluntary use of
37 members of administration. Only participating Battery
38 Leave Bank members may benefit. Battery Leave Bank
39 hereon will be referred to as "Leave Bank".
40
41 b. To become a participating member of the Leave Bank, a
42 member must contribute two (2) sick leave days at the
43 beginning of the project. Appeals to replenish the Leave
44 Bank will be made when the total days fall below 25.
45
46 c. Any member who decides to participate in the Leave Bank
47 after the initial year of the program must donate the total
48 number of sick leave days he/she would have been required
49 to contribute beginning with his/her initial year of eligibility
50 in the program. All donated sick leave days shall be
51 subtracted from the eligible employee's annual sick leave
52 eligibility and accumulated total sick leave days, in that
53 order. Once the sick days have been donated to the Leave
54 Bank, they cannot be withdrawn.
