- b. *Recruitment.* The District shall recruit and designate such students that it wishes to enroll in the contracted class.

IV. MUTUAL TERMS AND CONDITIONS

- a. *Number of Participating Students.* The Parties agree that the University will determine class enrollment limits, and that enrollment will be contingent in individual classes based upon the space available.
- b. *Compensation.* Student tuition shall be \$418 per credit hour for the 2014-2015 academic year: said amount is net of a 42.8% scholarship provided by St. Bonaventure during this year and applied to tuition costs for enrolled students. It is also net of \$100 per credit hour provided by the Community Foundation of Warren County. As with the District's other dual enrollment programs that meet all of the requirements of 24 P.S. 16-1611-B *et. seq.* and the eligibility requirements for grant funding, the District, in accordance with the District's Dual Enrollment Resolution and at its sole discretion (unless required to do otherwise by law), may contribute tuition assistance in addition to the University scholarship for any District student who chooses to enroll in the program. The University will award postsecondary credit, not to exceed 36 postsecondary credits in any school year, to students who successfully complete courses identified in this Agreement as identified above. The University will transcript credit in a manner similar to other students who take a course at the institution. If a dual enrollment student becomes a regularly enrolled student at the University following graduation from secondary school, the University shall recognize those credits as applying to the student's degree requirements as it would for any regularly enrolled postsecondary student who took the courses.
- e. *Promotional Materials.* Both the University and the School District agree to work together to provide a mechanism for communicating the educational and economic benefits of higher education as well as the requirements for participation and enrollment procedures for dual enrollment to parents and students.
