# What does the 2016 - 2017 budget include?

## **Alternative Education/Discipline Strategies**

The 2016-2017 maintains the current alternative education for disruptive youth (AEDY) program and appropriate expenditures.

# **School Building Budgets**

The individual school budgets will use the same allocation method for the 2016-2017 budget as was used in 2015-2016.

# **Career and Technology Programs**

The 2016-2017 budget supports the operation of the Warren County Career Center (WCCC), the district's Area Vocational-Technical School (AVTS). In 2016-2017, the WCCC will offer fifteen programs (Accounting, Auto Collision, Auto Technology, Building and Construction, Business Education, Computer Specialist Technology, Electronics, Food Production, Health Care, Machine Technology, Marketing, Power Equipment, Pre Engineering, Protective Services, and Welding). The student population at the WCCC has continued to show growth.

## Curriculum

The budget supports the annual curriculum needs of the students, with dollars allocated for new textbooks to replace aged textbooks and to align with curriculum changes that are taking place because of the move to the PA Core Standards. The proposed seven year textbook plan will put the District back on a scheduled curriculum rewrite and textbook purchase schedule.

<u>World Languages</u>—The District will be offering Spanish in all four high schools for students in grades 9-12.

<u>Curriculum Writing</u> - During the 2016-2017 school year several content areas will update planned instruction and align curriculum maps to the PA Core Standards. This will be on the same timeline as textbook purchases.

<u>Curriculum Mapping</u> – The District will continue to support the development of curriculum to adapt to the PA Core. Curriculum mapping will continue during the 2016-2017 school year. Professional development for the 2016-2017 school year will continue to incorporate time for curriculum review as well as lesson planning and instructional practice based on curriculum mapping.

<u>Multi-Tiered Systems of Support</u> (MTSS) – The District elementary staff will continue to implement the MTSS Model. Additional Reading Specialists will be added at three elementary schools.

<u>After School Programming</u> – The 21st Century after school program would continue in all four attendance areas, and it will have an additional middle level component.

## **Dual Enrollment**

Students will continue to have the opportunity to enroll in undergraduate coursework from St. Bonaventure University to be conducted at the Pine Grove Campus. There are no general fund dollars allocated for tuition expenses. Students also have access to dual enrollment courses through Clarion University in an online format. This is also paid directly by the students and their families. The District will also continue to offer dual enrollment through the University of Pittsburgh at Bradford dual enrollment program. This program is offered within District courses through accreditation of District teaching staff. The WCCC will continue to offer dual enrollment credit through both the Penn College NOW program and Jamestown Community College.

# ESL (English as a Second Language)

The District will continue to employ one full-time teacher to support students who have a language other than English as their native speaking language.

# **Full-Day Kindergarten**

The District remains committed to the full day kindergarten program.

# **Elementary Staffing**

Four additional elementary teachers will be added to reduce current class sizes.

# **Tutoring**

The District will continue elementary tutoring during the 2016-2017 school year and add middle level tutoring.

#### Grants

The proposed budget will continue to provide the administrative capacity to pursue, implement, and manage a variety of grant funding opportunities.

#### **Gifted Education**

The Gifted Support Program will continue to meet the requirements under Chapter 16 for approximately 200 gifted support students. The staff will continue to provide instructional enrichment opportunities, complete student screenings, testing, conduct progress monitoring and write GIEPs. The district is continuing the Highly Gifted Pilot program for students meeting the requirements.

# **Homebound Instruction**

This mandated program provides instruction in the home for students unable to attend in their school.

#### **Homeless Services**

The Federal Government mandates that the District provide a variety of support services (I.e., transportation, supplies, etc.) to students who are designated as homeless. The district continues to support an Attendance Officer who works closely with schools to identify these students and provide services as efficiently as possible.

#### **Online Education**

The District support for online education will remain the same consistent for the 2016-2017 school year. The Warren County School District Virtual Academy is able to offer flexibility in student scheduling by allowing them to take a core course virtually, thus freeing up a period in school where they can take another course they are interested in such as band, an art class, a foreign language, or a class they cannot get because they wish to attend the Warren County Career Center. Many students take an elective class because it is something they are interested in and it is something we do not offer in the traditional brick and mortar setting.

Additionally, online learning is utilized to support credit recovery. The WCSD Virtual Academy continues to grow and is changing the face of education today.

# **Special Education**

Special Education: As required by law, the district will continue to provide a free and appropriate education to students with disabilities.

#### Interventions:

The district will apply to expand its efforts in implementing School Wide Positive Behavior Support which is a framework that changes school and community culture.

# **Athletics**

Communities will once again need to support the athletic teams at the schools in a manner similar to what has been done the past few years to help offset costs associated with supplies, uniforms, transportation, dues/fees, and game fees.

# K-12 Co-curricular Offerings

The District will continue to offer co-curricular offerings comparable to prior years in the 2016-2017 school year. Funding for co-curricular activities is primarily used for advisor supplemental salaries for each program.

# **Buildings and Grounds**

The 2016-2017 school budget continues to provide for custodial, and continued planned maintenance, utilities, and grounds upkeep for each school plant in the Warren County School District.

## **Contingency Funding**

The 2016-2017 budget has a contingency fund in the amount of \$350,000 set up to cover the cost of any unresolved staff needs, fuel/transportation and board goals.

#### **Food Services**

The Nutrition Group's contract is expected to be renewed for the 2016-2017 school year. Nutrition continues to monitor the food services program and seeks to achieve a break even financial position in the future while providing a high quality food service program to students.

### **Transportation**

The District will continue to contract for student transportation that is safe, reliable, efficient, and cost effective. The district transports students over 11,000 miles per school day, or 1.9 million miles annually.

## **Resource Officer**

The 2016-2017 budget provides the dollars to pilot a resource officer in the district.

#### **First Aid Certification for Students**

The 2016-2017 budget continues to provide the dollars necessary to train and certify appropriate staff and students in first aid.

## **Five Year Technology Plan**

The 2016-2017 budget supports technology improvements and replacements as a part of the proposed Five Year Technology Plan.

# Seven Year Textbook Plan

The 2016-2017 budget supports the purchase of new textbooks as a part of the Seven Year Textbook Plan.

## Seven Year Buildings & Grounds Plan

The 2016-2017 budget supports the Seven Year Buildings & Grounds Plan.

# **PSAT Testing**

The 2016-2017 budget includes the dollars necessary to provide the PSAT to each student in ninth grade.

# **After School Bus Runs**

The 2016-2017 budget includes the dollars necessary to cover the post-reimbursement cost of running late buses in each of the four attendance areas.

# **Student Support Services**

The 2016-2017 budget includes \$150,000 to provide an additional level of student support services including mental health supports, social services and / or student assistance.
