RE: PLANCON PART H: PROJECT FINANCING

PROJECT NO.:	3640
PROJECT BUILDING NAME:	Eisenhower K-12
TYPE WORK:	Additions & Alterations
COUNTY:	Warren
BOARD ACTION:	GOB, 2012 February 11, 2013 GOB, 2013 August 12, 2013
REIMBURSEMENT BASIS:	Maximum Reimbursable Formula Amount

Dear Ms. Huck:

The materials for PlanCon Part H, "Project Financing," have been reviewed and approved. This approval is based on a limited review of the documents submitted. If information reviewed subsequent to this approval violates law, policy or procedure, the department reserves the right to rescind any and all approvals materially affected.

Please note, PDE Form 2071(s) may now be submitted, however reimbursement will not occur until funding is established in accordance with Act 25 of 2016.

There is no accrued interest on the General Obligation Bonds, Series of 2012 and General Obligation Bonds, Series of 2012 (see attached settlement sheet).

Lease Number	Bond Issue	Method of Financing	Temporary Percent	Effective Date
123640	$23,180,000	GOB Series of 2012 Relating to (QZAB)	27.67%	July 1, 2012
133753	$9,700,000	GOB Series of 2013	24.61%	July 1, 2013

For bond issues/notes with PlanCon Part H approved for reimbursement by the department on or after July 1, 1998, the temporary reimbursable percent is based on a one-half percentage point (.5%) reduction.

The school district must submit an updated payment schedule on an annual basis for the General Obligation Bond, Series 2012 (Lease Number 123640), since this is a Qualified Zone Academy Bond (QZAB) issue. Documentation to substantiate the sinking fund interest earnings reported on the payment schedule must be submitted to this office.

This project is being reimbursed based on the maximum reimbursable formula amount. Therefore, when completing PlanCon Part J, "Project Accounting Based on Final Costs," it will not be necessary to submit Pages J07 through J12.

The permanent reimbursable percent(s) will be established following the submission and review of PlanCon Part J, "Project Accounting Based on Final Costs." PlanCon Part J for this project must be submitted within three years of the date bids were opened for this project, unless an extension is requested and granted by this office. PlanCon Part J must be submitted in the specified time or the temporary reimbursable percent(s) may become the permanent reimbursable percent(s) for this project. After the permanent reimbursable percent is assigned, the Commonwealth will calculate the retroactive reimbursement, if any, and make a lump sum payment.

In order to facilitate the PlanCon Part J review, the following procedures should be initiated:

1. The construction revenues and expenditures should be accounted for via the operation of a Capital Project Fund or a Special Revenue Fund in accordance with the Manual of Accounting and Related Procedures for Pennsylvania School Systems (Revised).

2. An audited balance sheet and statement of revenues, expenditures and changes in fund balances for the Capital Project Fund should be prepared for each fiscal year.

3. Section 148(f) of the Internal Revenue Code of 1986 deals with arbitrage rebate to the federal government. In order to properly identify the interest subject to arbitrage rebate, the school district or area vocational-technical school is responsible for keeping records which will track the interest earned on the investment of bond proceeds to meet the requirements of federal and state regulations.

The school district must file form PDE-2071, "Application For Reimbursement For School Construction Project," to the Comptroller's Office to receive the reimbursement on this financing. The lease number and reimbursable percent referenced above must be included on form PDE-2071.

This document and appended materials should be entered into the minutes of the next board meeting. If you have any questions, please contact Joanne Van Tassel at 717.787.5993.

Sincerely,

Jeannine J. Welser
