

Executive Summary

Topic: PowerSchool Software Licensing & Maintenance Renewals

Meeting Date: January 29, 2018

Summary

Maintenance contracts and license renewals are due for PowerSchool products currently in use at the district. Finance+ software is used for all financial operations, Eschool+ acts as our student information system, Performance+ is used for curriculum mapping and lesson planning. IEP+ is covered in this quote for the renewal of our existing license.

The amount of the renewal is included in the current 2017-2018 budget under the line item for Technology maintenance contracts.

Recommended Motion

That the board of school directors approve the Powerschool proposal to renew eSchool+, Performance+, Finance+ and IEP+ for \$136,255.35.
