

**6900 FACILITIES RENOVATIONS/IMPROVEMENTS/MISCELLANEOUS**

**6905 Sale of Unneeded or Obsolete Equipment**

When the ~~District~~ **administration** chooses to dispose of unneeded or obsolete equipment, it may do so **at its discretion and** without formal advertisement or Board action, if said equipment is deemed as having less than \$500 of value at the time of disposal. In all other circumstances, where the value of such equipment considered for disposal is beyond \$500, the Board will recommend the formal public advertising for bid and/or public auction. Once formal bidding procedures have been carried out, and no bids are received, the ~~District~~ **administration** may dispose of the said equipment at its discretion. **Notwithstanding the foregoing, any unneeded or obsolete equipment that was gifted/donated to the District may be returned to the donor through Board action, for no consideration, and without having to adhere to the mandates of this Policy.**
