### Shipping Information

This order includes: ☐ Liftgate Service ☐ Inside Delivery ☒ Call Before Delivery (814) 723-6900

This quote reflects standard tailgate delivery. You will need personnel to take the items off the freight truck and bring inside your own facility. Delivery appointments can be made by the freight company to schedule approx delivery time.

Liftgate service is recommended for facilities that do not have a loading dock or personnel/equipment needed to lower large or heavy freight to the ground. Selecting this service will ensure that your shipment is lowered to the ground.

Inside Delivery service means that a single freight driver will assist in bringing your shipment inside the first set of doors to your facility. The driver will not navigate stairs/elevators and may still require assistance with extremely large or heavy items.

Please contact your rep to have these additional services added to your quote, or to learn more about them.

When you are ready to order, please make sure you have made all color selections and verified shipping and billing details. Feel free to discuss any questions you may have with your representative: Sharon Jefferson at sharon@worthingtondirect.com o
