

21st Century Community Learning Centers (21CCLC) Grant Summary (Cohort 10)

Grant Overview: The purpose of the 21CCLC grant program is to establish or expand community learning centers that provide students who attend high-poverty and low-performing schools with academic enrichment opportunities during non-school hours, along with activities designed to complement the students' regular academic program.

The district administration is planning a submission to the Pennsylvania Department of Education's 21CCLC Cohort 10 grant competition for the following services:

- Year 1: Expand 21CCLC services into grades K and 1 at Eisenhower Elementary, Youngsville Elementary/Middle, Warren Area Elementary Center, Sheffield Elementary Schools, and Tidioute Community Charter School.
- Year 2-5: Renew services currently being offered to students in grades 2-5 at Eisenhower Elementary, Youngsville Elementary/Middle, Sheffield Elementary School, Warren Area Elementary Center, and Tidioute Community Charter School. Services are for both the school year and summer.

Participating students will receive homework help and/or academic support services in reading and math, physical activities, snacks, and enrichment activities.

Amount of Award: Year 1 request for approximately \$200,000, Years 2-5 approximately \$600,000 each.

Due Date/Notification of Award: Application due by 12:00 noon, March 5, 2019. Notification in May/June 2019.

Alternatives if not Awarded: None.

WCSD Resources Required: Space in each attendance area for 21CCLC programming.

Administrative Recommendation: That the administration submit an application to Cohort 10 of the Pennsylvania Department of Education 21st Century Community Learning Center Grant, providing after school and summer programming for qualified students in grades K-1 in Year 1, and grades K-5 in Years 2-5 of grant funding.
