Reflex Educator Grant Program Summary

Grant Overview: Reflex is an adaptive and individualized system for mastering basic math facts in addition, subtraction, multiplication and division. Reflex engages students through adaptive math games and uses research-proven methods to help improve scores. The software provides reporting on fluency growth and can be used with students at all tiers of intervention.

A teacher at Youngsville Elementary School is interested in using Reflex in her classroom. The grant is available to educators in grades 2-6 and will provide one year of access to Reflex for up to 35 students.

Amount of Award: $1,625.00 (value only - no cash awarded)

Due Date/Notification of Award: September 23, 2019.

Alternatives if not Awarded: None.

WCSD Resources Required: None.

Administrative Recommendation: That the Board of School Directors instructs the administration to work with Youngsville Elementary School to submit an application for the Reflex Educator Grant.
