5.0 Other

- 5.1 Mr. Labesky discussed the pay for Athletic Coordinators within each building. Mr. White, the A.C. for WAHS handles many different sports than the smaller schools with more playoff activities and receives the same pay. Mr. Labesky would like the union to go to “battle” for Mr. White. Mrs. Stewart mentioned that some athletic coordinators receive more periods during the day to handle athletics.

Mr. Labesky also discussed the new eligibility requirements and how well they are working. He spoke with administration, teachers and coaches.

Mr. Labesky made a motion that all pay to participate monies go back to the schools and all parking fee monies stay in the home school and go back to the athletic fund. He also asked that music money be kept at the home schools. He is hoping that this will eliminate the deficit in the athletic budget. He asked for a second motion. A discussion took place in regards to the General Fund and if taking the pay to participate monies away from this fund, what other things would not be purchased. The board feels this should be part of the overall budget discussion. There was no second motion.
