1.6 Public Comment

Heidi Colosimo Warren, PA Mrs. Colosimo thanked the board for the opportunity to speak and stated she is a teacher/librarian at Sheffield Area Elementary/Middle/High School. She spoke on behalf of herself, many of her colleagues and students of the district. She believes it is past the time for Administration and the Board to take action to move the schools to remote learning due to the Corona Virus pandemic. She does not believe it is safe for students and staff to be coming into the buildings every day.

Phil Heubach Russell, PA Mr. Heubach is the President of the Warren County Education Association representing the teachers of the District, and he asked the Board to pass the FFCRA allowing employees 10 days of special emergency sick leave for COVID related issues in order to receive PSERS credit for those days of absence.

He stated teachers are scared. More and more teachers and students are out for COVID quarantine. It is impossible to maintain physical distancing in the classrooms.

2. President's Statement

2.1 Reports & Information

1. IU5 - Mr. Paul Mangione

There was no meeting for the month of November.

2. PSBA Liaison - Mrs. Marcy Morgan

There was no report.

3. Career Center Advisory - Mrs. Elizabeth Huffman

Alex Huffman an 11th grade student in the Protective Services program and who was enrolled in the Northwest Pennsylvania Regional College PST course recently received his Nationally registered Emergency Medical Technician Certification which is accepted in over 42 states. Alex is the youngest to achieve this certification in the county and possibly in Pennsylvania. As his mother and a board member, Mrs. Huffman congratulated Alex and thanked the WCCC, its staff, and teachers for their support in mentoring young adults in the Warren County School District to achieve goals with hands on training beyond the classroom.

3. Superintendent's Reports and Recommendations

3.1 General Comments - Mrs. Amy Stewart

- Mrs. Stewart addressed the COVID situation everyone has been working hard and she echoed many of the things Phil Heubach stated. This is not about blame and none of it is anyone's fault. The District is dealing with a Pandemic when no one has a play book on how it is supposed to function in this situation. Administration has

been working diligently day in and day out. Mrs. Stewart stated, "This has been the longest year of my life, and it is not over yet." Administration has been told it is only a matter of time before COVID gets here, and it is easily spread. The District is definitely seeing this. Administrators keep data and spreadsheets and do contact tracing with fidelity in lieu of the Department of Health. People are frustrated by what they don't know, and we understand that. We have said all along that it would only be a matter of time until we would be in a position where we could no longer function. It was also predicted months ago that this day would be coming, and it would not be due to kids getting sick, but it was going to be a matter of not having enough staff. We had cases starting on day one, this is not new. We have investigated, contact traced and done everything needed and it was manageable up until Thanksgiving or up until the repercussions of Thanksgiving. We were told it was going to spread, and it did. Over the weekend and going into today, we knew we were losing. If an employee is quarantined due to a spouse being infected, they very well could be out for a month. There are a significant number of employees who are currently out and with the significant community spread we are seeing, I believe the time is now. There are students who do not have enough bandwidth, and we will have to do something for them. WCCC is eighty percent hands, and we are worried about those students. Also, our special education students and their programming is a concern. Mrs. Stewart's recommendation is that students come to school tomorrow to pack up, let teachers do reminders, and reinforcement of all the things they have been doing, and stay out until after the holidays and get past this big peak we are seeing.

Mrs. Stewart recommended to the Board that the District go to remote learning on its own terms starting on Wednesday, December 9 through January 25, and students would come back on January 26. Waiting longer could put the District in a position where it would be forced to close, and then administration would not have as many options in dealing with some of the other things that are before them. Athletics are very important to people, and not that the District is driven by athletics, but the reality of their importance to students is real. If forced to close, those opportunities will be lost. This will give administration options. This will also allow administration to bring in students with documented lack of internet to be in the school to access the internet and do their work. There will also be decisions about the internet and that will be discussed later in the meeting. Mrs. Stewart commended everyone in the school district for doing their part. We know there are parents that are going to be frustrated with this, but the data is very clear at this point with the number of employees who are out, we cannot continue in person learning.

- Mr. Colosimo, under Robert Rules asked to lay on the table the LERTA question.
Mrs. Zariczny stated, that there was no motion brought forth because the Board had questions and was waiting for data from the Commissioners. Mr. Byham also felt that was the current status. When Mrs. Huck returns she will confirm that is indeed where this item stands.
- Mr. Colosimo also commended the Warren County Career Center putting out state and national winners in their respective fields and encouraged local business to hire them out of high school or after they finished their trade school careers.
- Mr. Labesky, referring to Phil Heubach's comments, stated he would like to get the information regarding the PSERS credit for days absent for discussion at the next committee meeting.
- Mrs. Morgan stated parents in the chat were wondering if meals will be served.

Mrs. Stewart stated meals will be provided in house and for pick up just as they were in the spring closure. Transportation for students coming in will be provided as will meals starting on Monday, December 14, 2020.
