

## **POSITIVE HAPPENINGS – January 11, 2021 BOARD MEETING**

**Mr. Shannon Yeager – Beaty-Warren Middle School – No Report Provided**

**Mr. Brian Reynolds – Eisenhower Elementary School – No Report Provided**

**Mrs. Ericka Alm – Eisenhower Middle High School**

The Honor Society at Eisenhower Middle High School fed 10 families Christmas Dinner.

**Ms. Jessica Fortner – Sheffield Area Elementary School**

During our brief time in school in the month of December, students and teachers were able to collect two boxes of food and raise \$100 worth of food for the local food pantry.

**Mr. Glenn Smith – Sheffield Area Middle High School**

Students have done an excellent job acclimating to online learning and classes are running smoothly. Instruction is being delivered and students are progressing through the curriculum.

The SAMHS Internet Café has been working successfully. Students that are unable to access the Internet from home, or have significant learning needs, have been able to continue working through the curriculum and can access the academic supports necessary to be successful.

**Mrs. Misty Weber – Virtual Academy – No Report Provided**

**Ms. Jennifer Hobbs– Warren Area Elementary Center**

Thank you to the WAEC P.T.O. for sponsoring a virtual field trip for our students. On December 18<sup>th</sup>, students had the opportunity to “visit” Zoo of America in Hershey, PA and learn about various animals. Thank you to the P.T.O for providing this wonderful experience!

**Ms. Amy Stimmell – Warren Area High School**

The WAHS Key Club held its annual Angel Tree gift and supply drive for some local families. Just before Thanksgiving break, the Key Club began signing up faculty, staff, and students to sponsor a child. In the following weeks, gifts were collected and sorted for families. The Angel Tree Project is one that the club and

members of the school community enjoy participating in each year and it is very rewarding to see how generous our school can be. Pictured with some of the gifts are Mrs. Hagadorn, our Key Club Advisor and our Guidance Counselors, Mrs. Golab and Mrs. Derby.

### **Mr. Jim Evers – Warren County Career Center**

Currently, we have 18 students participating in the Co-op program with two additional students awaiting employer clearances. Mr. Robert Smith will be helping students complete the required paperwork for the TANF program. Twenty students will be participating in a state funded program with each working 180 hours.

The Information Technology Class has set up several hundred mobile hotspots for the district during the past two weeks of class.

Many students are welding fittings to pipe donated by United Refinery and Superior Tire Corp. Other students are working on projects for Auto Technology as they transition back to the WCCC from their offsite location. All welding students are continuing their OSHA training online course as we go. Stay tuned for more storm grates for PennDot soon. We are planning on utilizing our donated metal core welding wire from Ellwood National Crankshaft on the grates as much as possible.

Multi-Media Marketing students are preparing the new school store for our grand opening once construction is completed. Students are busy determining how the store will operate and what items will be on hand.

The WCCC has operated as much as normal as possible during the COVID-19 shut down. All programs with the exception of Health/Medical, Marketing, Auto Tech, and Auto Body have been face to face with most students attending daily. Health/Medical Assisting, Auto Body, and Auto Tech are slated to return next week. All at-home instruction went smoothly. Mr. Evers is sure we can do a board recognition once COVID settles down a bit.

### **Mrs. Elizabeth Kent – Youngsville Elementary Middle School**

The return of the full-time Autistic Support program has gone smoothly and the students are participating in instruction regularly.

### **Ms. Amy Beers – Youngsville Middle High School**

YMHS provided food baskets and Christmas presents to multiple students in need.

The Science Club/YMHS provided Christmas presents through Angel tree gifts to a Youngsville Head Start Classroom.
