

6500 NAMING FACILITIES**6510 Naming Facilities**

The Board will consider requests from school and community groups to name a portion of a building, a single building, or a specific area on the campus for a person who is not living, provided the proposed name has special significance and/or the person has made an outstanding contribution to the school or the school system and has been deceased for at least three years. The group making the request must agree to provide appropriate recognition, such as plaque, portrait, or marker, for the school. The Board will consider the request after its approval by the administration.

When the use of a school changes and it no longer houses a regular school program, the Board, upon the recommendation of the school administration, will consider changing the name of the facility only if the proposed name has special significance and/or the person has made an outstanding contribution to the school or the school system and has been deceased for at least three years.
