

## **POSITIVE HAPPENINGS – April 12, 2021 BOARD MEETING**

### **Mr. Shannon Yeager – Beaty-Warren Middle School**

Beaty students recently wrapped up a month-long Advisory lesson on Anti-Bullying by creating short videos on the STOP, WALK, and TALK program. The student videos will be shared in April and May during Advisory.

The Beaty 5<sup>th</sup> graders recently won the month-long class challenge. Each month we tally the number of late arrivals, discipline referrals, absences, and grades and put that data into a formula. The grade level earning the most points each month will receive a special activity.

### **Mr. Brian Reynolds – Eisenhower Elementary School**

Fifth grade student, Peyton Matson, won 2<sup>nd</sup> place in the State Am Vets poster contest. Our second grade students have learned all the lower-case cursive letters and five students have mastered the addition facts. Kindergarten students have their first seeds of the season sprouting!

### **Mrs. Ericka Alm – Eisenhower Middle High School – No Report Provided**

### **Ms. Jessica Fortner – Sheffield Area Elementary School – No Report Provided**

### **Mr. Glenn Smith – Sheffield Area Middle High School**

SAMHS is practicing and preparing for the upcoming Intruder Drill. The students have performed very well in the past and are working hard to remain safe during any event.

SAMHS has had a very good winter athletics' season. The wrestling team was very competitive, and Ethan Finch medaled at the state tournament. The girls' basketball team showed improvements and should see an increase in their win total next season. The Boys' basketball team finished with a .500 record and participated in the playoffs.

### **Mr. Josh Vincent – Virtual Academy**

Construction of the new Virtual Academy space at the WCCC is complete. Permanent staff members will be moving in imminently to work from the WCCC. Beginning in the 2021-2022 school year, students will be able to utilize the virtual student lab to complete work.

### **Ms. Jennifer Hobbs– Warren Area Elementary Center**

Congratulations to Mrs. Ickert's first grade class for winning the third quarter reward with the Warren City Police Department. Her class has consistently shown positive behaviors throughout the nine weeks. Thank you to the Warren City Police Department for providing this special recognition and treat!

### **Ms. Amy Stimmell – Warren Area High School**

Congratulations to the following WAHS athletic accomplishments.

- Warren Cheer D10 Champ
- Girls' Basketball D10 Champ
- Swim - Hugh Harrison D10 Champ
- Diving - Katie Madigan D10 Champ 4<sup>th</sup> in state
- Swim - Katie Beyer D10 Champ, PIAA 3<sup>rd</sup> place and PIAA Champion
- Warren Boys' Basketball won 17 games and won a D-10 playoff game

### **Mr. Jim Evers – Warren County Career Center**

- The WCCC/Cyber Academy/STEM office spaces are now open.
- Information Technology: Five 1st year students earned the IT fundamentals certification, and three 2nd year students earned the Network PRO certification. Both of these certifications are nationally recognized certs in the IT field.
- COOP: We currently have 20 students placed on COOP with potentially 4 more going to Betts. We also have 35 students either placed or waiting for placement through the EQUUS/TANF program.  
**Potentially 55 students**
- Three Students are competing in the virtual SkillsUSA state competition. Seth Conarro for Cyber-Security, Alex Zaricsny for Precision Machining, and Alex Huffman for Fire Fighting. Alex Huffman finished his competition yesterday and we will know the results on April 15. Jesse Campbell was scheduled to compete but due to the constraints of the virtual competition, he was not able to compete.
- We have started our NOCTI testing. NOCTI testing is our end of program assessments and includes both on-line and performance testing.
- To date (4/7/21), we have 324 students enrolled for 2021-2022 (increased from 314 in 2020-2021). This also includes the addition of an afternoon section of Multi-Media Marketing.

### **Mrs. Elizabeth Kent – Youngsville Elementary School – No Report Provided**

### **Ms. Amy Beers – Youngsville Middle High School**

YMHS students (Savannah Upton and Kenzie Olewine) have been using their Honors English 11 course to work with Jon Sitler on writing articles for the Warren Times Observer. Their coverage of YMHS athletics has been impressive and an important outlet to display their writing skills.

YMHS students at the middle and high school participated in the WCSD art show and contributed artwork for consideration for a billboard to support Mental Health Awareness month. YMHS artwork was chosen for two billboards.

In the month of March, YMHS music programs VIRTUALLY celebrated with a senior band concert, a Middle level band concert, and 6-12 orchestra concert. At the senior high concert, Nathynn and Lyddia Rougeux were honored for their selection to the State level concert to be held virtually in mid-April.
