## FamilyID Plans & Features

We offer all-inclusive, annual subscription plans for K-12 schools. We work with thousands of school administrators to streamline sign-ups for school programs, clubs and activities.

## Subscription Type

School Plan – Unlimited Registrations

### Pricing

FamilyID's Unlimited Plan pricing for schools is simple – it's based on your number of unique program participants. Schools love how the Unlimited Plan allows them the freedom to collect as many registrations for those participants as they need, truly unlimited, throughout the entire school year!

Number of Participants	Subscription Pricing
First 500 unique participants	\$1,295 (minimum)
From participant 501-6,000	\$2.25 each
From participant 6,001 and up	\$1.95 each

### Features

Your subscription includes all the core features you need to start running more efficient programs and improving the registration process for your school and for the families in your community! That includes our best-of-breed technology, integration with other software partners, and access to our unsurpassed customer care team. FamilyID truly is the gold-standard in online registration!
