

POSITIVE HAPPENINGS – December 6, 2021 BOARD MEETING

Mr. Shannon Yeager – Beaty-Warren Middle School

Beaty's student recognition during November

- 217 students who made Merit Honor Roll
- 167 students who made Honor Roll
- 3 "Students of the Week" during November

Mr. Brian Reynolds – Eisenhower Elementary School

First graders made wrote Veteran's Day poems and gave them AM Vets in Sugar Grove.

First graders used the "Chatterpix" App to create a video of a Turkey Story they wrote. They added QR codes to the turkey picture so others could enjoy listening to the story.

Mrs. Ericka Alm – Eisenhower Middle High School

EMHS took 1st and 3rd for their first Robotics competition. Here are some video clips that Meisyn Haskins compiled of the competition.

Ms. Nikki Nichols – Sheffield Area Elementary School

Sheffield Elementary was busy during November. The kids have continued to be able to try different fruits and vegetables through the Fresh Fruits and Vegetables grant. Tuesday, Wednesday, and Thursday afternoons are the highlight of the week for the kids to see what the fruit or vegetable of the day is to enjoy. Some of the favorites have been oranges and broccoli.

SAES showed our support for those grieving by wearing blue. Mr. Cragg was in each classroom talking about grief and has started a grief group with some of our students going through the grieving process.

We have been doing the 12 days of Christmas for giving to help fill the need at the Sheffield Food Pantry. It has been overwhelming to witness the giving of the students and families for our community. From Friday, November 19 through Friday, December 10 we are collecting the following on respective days and in order, cereal, canned soup, canned veggies, canned fruit, pasta/pasta sauce, 64 ounce bottles of juice, peanut butter, jelly, canned pastas (Chef Boyardee), cake/brownie mixes, and crackers/cookies. The following have been counted to date, boxes of cereal 175, soup 440, veggies 455, and fruit 275. I have attached a picture of 4 days of collections.

SAES ended the month with a morning of decoration and craft making with each grade and teacher of the school. We "decked the halls" of SAES for the holiday season. The kids stayed in their homeroom during the activities and the teachers went room to room spreading Christmas Cheer. I have attached pictures of the halls and our Christmas Tree.

Please come see our Halls and join in our Christmas Spirit anytime. On Monday, December 6 (in between formal observations and walk throughs) I will be reading "The Gingerbread Baby" by Jan Brett to each room for the adventures of the Gingerbread Baby being on the loose in SAES. Please come join in that fun if you would like as well. If you let me know when you would like to come I can let you know which room I will be reading in and at what time.

It is true what they say, this is the most wonderful time of the year, especially at SAES.

Mr. Glenn Smith – Sheffield Area Middle High School

The faculty and students participated in the annual, "Hanging of the Greens" at SAMHS just before Thanksgiving break. The hallways and common areas are looking festive and ready for the holiday season.

The students that earned the Honor Roll or Merit Honor Roll for the first marking period will be receiving pumpkin pie, apple pie, coffee cake, and hot chocolate on Friday, December 3rd as a reward for their hard work.

Mr. Josh Vincent – Virtual Academy

WCSD Virtual is currently serving 525 students choosing to participate in full time and part time virtual learning. All K-5 teachers across the district have access to virtual courses to help support students when temporarily out of the school setting.

Ms. Jennifer Hobbs– Warren Area Elementary Center

Thank you to the Warren Area High School Student Council and Mr. Joe McClellan for providing our students with a recording of a Thanksgiving story. The students thoroughly enjoyed this experience!

Mrs. Amy Stimmell – Warren Area High School

The Warren Area High School Art Club students painted the plow again this year. The theme for the paint the plow contest was school spirit. Our Art Club students put in several hours outside of school time to paint the beautiful plow. This is the fourth plow WAHS art students have created. Each year we feature a dragon...this year our Warren Dragon is breathing fire. Go Dragon Artists!
