# FamilyID

# Subscription Agreement

# FamilyID Plans & Features

We offer all-inclusive, annual subscription plans for K-12 schools. We work with thousands of school administrators to streamline sign-ups for school programs, clubs and activities.

# **Subscription Type**

School Plan

## **Pricing**

FamilyID's Unlimited Plan pricing for schools is simple – it's based on your number of unique program participants. Schools love how the Unlimited Plan allows them the freedom to collect as many registrations for those participants as they need, truly unlimited, throughout the entire school year!

Number of Participants

First 500 unique participants

From participant 501-6,000

From participant 6,001 and up \$1.95 each

#### **Features**

Your subscription includes all the core features you need to start running more efficient programs and improving the registration process for your school and for the families in your community! That includes our best-of-breed technology, integration with other software partners, and access to our unsurpassed customer care team. FamilyID truly is the gold-standard in online registration!

### **Included Platform Features:**

- One administrative account/landing page for every 500 participants
- · Landing page customization & branding
- Unlimited program listings with registrations forms that you can customize in minutes
- Access to thousands of program templates
- · Enhanced photo gallery to make your programs stand out from the crowd
- · Embed video and bring your organization to life
- Social media links (Facebook and Twitter) to grow your social followers
- Optional integration with our payment partners (PayPal, Stripe or MySchoolBucks)
- Optional integration with our scheduling partners (Schedule Star, ScheduleGalaxy)

## **Included Professional Services:**

- Account set-up and custom program template creation included with first account
- Virtual on-boarding including one hour of personalized user-training
- Unlimited technical support for your school staff and your program participants via phone and email
- · Unlimited access to live and recorded webinars
- Unlimited access to the FamilyID online Help Center with hundreds of knowledge-base articles and how-to videos

## Additional Features

FamilyID's affordable online registration management platform gives schools of all shapes and sizes the freedom to create and customize a solution that best meets their requirements and budget. You can always customize your subscription with these recommended feature add-ons:

 Advanced Administration: Unique user roles & privileges; Data visualization of program statistics; Bulk email program participants; Multi-language programs (\$0.40 per participant) FamilyID Pro: Mobile tools for coaches, instructors, chaperones; Attendance tracking, Absence notifications & Oneway, group email messaging to parents (\$0.50 per participant)

Invitations & SIS Integration Platform: Invite families and promote participation; Distribute Student/Membership IDs; Track results (\$1.75 per participant)
