Terms and Conditions

1. Definitions.

In this agreement, the following definitions apply:

"Affiliate" means

- a. If Institution is a non-public entity, then, with regard to Institution, "Affiliate" means any Qualified Educational User (as defined in the applicable Microsoft Qualified Educational User Definition available at the Licensing Site) that controls, is controlled by, or is under common control with Institution.
- b. If Institution is a public entity, then, with regard to Institution, "Affiliate" means, any Qualified Educational User that is:
 - (i) within the administrative control or supervision of Institution, or
 - (ii) expressly authorized by Institution to purchase as its affiliate.
- c. with regard to Microsoft, any entity that controls, is controlled by, or is under common control with Microsoft.

For purposes of this definition, **except with regard to hospitals, healthcare systems, and research laboratories** (collectively, "Healthcare Institutions"), "control" means ownership of more than a 50% interest of voting securities in an entity or the power to direct the management and policies of an entity. For Healthcare Institutions, "control" means that Institution is the sole owner of the Healthcare Institution or the only entity with the power to direct the management and policies of the Healthcare Institution's day-to-day operations.

"Customer Data" means all data, including all text, sound, software, image, or video files that are provided to Microsoft by, or on behalf of, Institution and its Affiliates through the use of Online Services.

"Education Qualified User" has the definition provided in the Enrollment.

"Enrollment" means the document that Institution submits under this agreement to place orders for Products.

"day" means a calendar day.

"Fixes" means Product fixes, modifications or enhancements, or their derivatives, that Microsoft either releases generally (such as Product service packs) or provides to Institution to address a specific issue.

"Institution" means the entity that is (1) a Qualified Educational User (as defined at <http://www.microsoft.com/licensing/contracts>) as of the effective date of this agreement that has entered into this agreement with Microsoft or (2) an Affiliate of Institution that has entered into an Enrollment under this agreement. If Institution is a school district, "Institution" includes all participating schools in the same district.

"License" means the right to download, install, access and use a Product. For certain Products, a License may be available on a fixed term or subscription basis ("Subscription License"). Licenses for Online Services will be considered Subscription Licenses.

"Licensed Period" means the period of time beginning on the effective date specified in the Enrollment and continuing for the period of time specified in the Enrollment.

"Licensing Site" means <http://www.microsoft.com/licensing/contracts> or a successor site.

"Microsoft" means the Microsoft Affiliate that has entered into this agreement or an Enrollment and its Affiliates, as appropriate.

"Online Services" means the Microsoft-hosted services identified as Online Services in the Product Terms.

"Online Services Terms" means the additional terms that apply to Institution's use of Online Services published on the Licensing Site and updated from time to time.

"Organization" means the organization Institution defines in its Enrollment.

"Product" means all products identified in the Product Terms, such as all Software, Online Services and other web-based services, including pre-release or beta versions. Product availability may vary by region.

"Product Terms" means the document that provides information about Microsoft Products available through volume licensing. The Product Terms document is published on the Licensing Site and is updated from time to time.

"SLA" means Service Level Agreement, which specifies the minimum service level for Online Services and is published on the Licensing Site.

"Software" means licensed copies of Microsoft software identified in the Product Terms. Software does not include Online Services, but Software may be part of an Online Service.

"Software Assurance" is an offering by Microsoft that provides new version rights and other benefits for Products as further described in the Product Terms.

"Student" means any individual enrolled in any educational institution that is part of the Organization, whether on a full-time or part-time basis.

"use" or "run" means to copy, install, use, access, display, run, or otherwise interact with.

"Use Rights" means the use rights or terms of service for each Product published on the Licensing Site and updated from time to time. The Use Rights include the Product-Specific License Terms, the License Model terms, the Universal License Terms, the Data Protection Terms, and the Other Legal Terms. The Use Rights supersede the terms of any end user license agreement that accompanies a Product.

"Users" means Institution, Education Qualified Users, and Students designated on the Enrollment to run the Products, and members of the public who access devices located in Institution's open access labs or libraries.

2. License for Products.

- a. **License Grant.** Microsoft grants the Organization a non-exclusive, worldwide and limited right to download, install and use software Products, and to access and use the Online Services, each in the quantity ordered under an Enrollment. The rights granted are subject to the terms of this agreement, the Use Rights and the Product Terms. Microsoft reserves all rights not expressly granted in this agreement.
- b. **Duration of Licenses.** Subscription Licenses and most Software Assurance rights are temporary and expire when the applicable Enrollment is terminated or expires, unless Institution exercises a buy-out option, which is available for some Subscription Licenses.
- c. **Applicable Use Rights.** The latest Use Rights, as updated from time to time, apply to the use of all Products, subject to the following exceptions.

- (i) **For Versioned Software:** Material adverse changes published after the date a Product is first licensed will not apply to any licenses for that Product acquired during the applicable Enrollment term unless the changes are published with the release of a new version and the Organization chooses to update to that version. Renewal of Software Assurance does not change which Use Rights apply to perpetual Licenses acquired during a previous term or Enrollment.
- (ii) **For all other Products:** Material adverse changes published after the start of the subscription period will not apply during the subscription term.
- d. **Downgrade Rights.** Organization may use an earlier version of a Product than the version that is current on the effective date of the Enrollment. For Licenses acquired in the current Enrollment term, the Use Rights for the current version apply to the use of the earlier version. If the earlier Product version includes features that are not in the new version, then the Use Rights applicable to the earlier version apply with respect to those features.
- e. **License Confirmation.** This agreement, the applicable Enrollment, and Institution's order confirmation, together with proof of payment, will be Institution's evidence of all Licenses obtained under an Enrollment.

3. *Use, ownership, rights, and restrictions.*

- a. **Products.** Unless otherwise specified in this agreement, use of any Product is governed by the Use Rights specific to each Product and version and by the terms of the applicable Enrollment.
- b. **Fixes.** Each Fix is licensed under the same terms as the Product to which it applies. If a Fix is not provided for a specific Product, any use rights Microsoft provides with the Fix will apply.
- c. **Non-Microsoft software and technology.** Institution is solely responsible for any non-Microsoft software or technology that it installs or uses with the Products or Fixes.
- d. **Restrictions.** Institution must not (and is not licensed to) (1) reverse engineer, decompile or disassemble any Product or Fix, (2) install or use non-Microsoft software or technology in any way that would subject Microsoft's intellectual property or technology to any other license terms; or (3) work around any technical limitations in a Product or Fix or restrictions in Product documentation. Except as expressly permitted in this agreement or Product documentation, Institution must not (and is not licensed to) (1) separate and run parts of a Product or Fix on more than one device, upgrade or downgrade parts of a Product or Fix at different times, or transfer parts of a Product or Fix separately; or (2) distribute, sublicense, rent, lease, lend, any Products, Fixes, in whole or in part, or use them to offer hosting services to a third party.
- e. **Reservation of rights.** Products and Fixes are protected by copyright and other intellectual property rights laws and international treaties. Microsoft reserves all rights not expressly granted in this agreement. No rights will be granted or implied by waiver or estoppel. Rights to access or use Software on a device do not give Institution any right to implement Microsoft patents or other Microsoft intellectual property in the device itself or in any other software or devices.

4. *Making copies of Products and re-imaging rights.*

- a. **General.** Institution may make as many copies of Products as it needs to distribute them within the Organization. Copies must be true and complete (including copyright and trademark notices) from master copies obtained from a Microsoft approved fulfillment source. Institution may use a third party to make these copies, but Institution is agreed it will be responsible for any third party's actions. Institution agrees to make reasonable efforts to notify its Users that the Products are licensed from Microsoft and subject to the terms of this agreement.

- b. Copies for training/evaluation and back-up.** For all Products other than Online Services, Institution may (1) use up to 20 complimentary copies of any licensed Products in a dedicated training facility on its premises for purposes of training on that particular Product, (2) use up to 10 complimentary copies of any Products for a 60-day evaluation period, and (3) use one complimentary copy of any licensed Product for back-up or archival purposes for each of its distinct geographic locations. Trials for Online Services may be available if specified in the Use Rights.
- c. Right to re-image.** In certain cases, re-imaging is permitted using the Product media. If the Product is licensed (1) from an original equipment manufacturer (OEM), (2) as a full packaged Product through a retail source, or (3) under another Microsoft program, then media provided under this agreement may generally be used to create images for use in place of copies provided through that separate source. This right is conditional upon the following:
- (iii) Separate Licenses must be acquired from the separate source for each Product that is re-imaged.
 - (iv) The Product, language, version, and components of the copies made must be identical to the Product, language, version, and components of the copies they replace and the number of copies or instances of the re-imaged Product permitted remains the same.
 - (v) Except for copies of an operating system and copies of Products licensed under another Microsoft program, the Product type (e.g., Upgrade or full License) re-imaged must be identical to the Product type licensed from the separate source.
 - (vi) Institution must adhere to any Product-specific processes or requirements for re-imaging identified in the Product Terms.

Re-imaged Products remain subject to the terms and use rights provided with the License acquired from the separate source. This subsection does not create or extend any Microsoft warranty or support obligation.

5. Transferring and reassigning Licenses.

- a. License transfers.** License transfers are not permitted, except that Institution may transfer only fully-paid perpetual licenses to:
- (i) an Affiliate, or
 - (ii) a third party solely in connection with the transfer of hardware or employees to whom the Licenses have been assigned as part of (1) a divestiture of part of the Organization or (2) a merger involving any part of the Organization.

Upon such transfer, the divested or merged part of the Organization must uninstall and discontinue using the licensed Products and render any copies unusable.

- b. Notification of License Transfer.** Institution must notify Microsoft of a License transfer by completing a license transfer form, which can be obtained from the Licensing Site, and sending the completed form to Microsoft before the License transfer. No License transfer will be valid unless Institution provides to the transferee, and the transferee accepts in writing, documents sufficient to enable the transferee to ascertain the scope, purpose and limitations of the rights granted by Microsoft under the Licenses being transferred (including, without limitation, the applicable Use Rights, use and transfer restrictions, warranties and limitations of liability). Any License transfer not made in compliance with this section will be void.
- c. Internal Assignment of Licenses and Software Assurance.** Licenses and Software Assurance must be assigned to a single User or device within the Organization. Licenses and Software Assurance may be reassigned within the Organization as described in the Use Rights.

6. Confidentiality.

"Confidential Information" is non-public information that is designated "confidential" or that a reasonable person should understand to be confidential, including Customer Data and the terms of Microsoft agreements. The Online Services Terms may provide additional obligations for, and limitations on disclosure and use of, Customer Data. Confidential Information does not include information that (a) becomes publicly available without a breach of this agreement, (b) the receiving party received lawfully from another source without an obligation to keep it confidential, (c) is independently developed, or (d) is a comment or suggestion one party volunteers about the other's business, products or services.

Each party will take reasonable steps to protect the other party's Confidential Information and will use the other party's Confidential Information only for purposes of the parties' business relationship. Neither party will disclose that information to third parties, except to its employees, Affiliates, contractors, advisors and consultants (collectively, "Representatives") and then only on a need-to-know basis under nondisclosure obligations at least as protective as this agreement. Each party remains responsible for the use of the Confidential Information by its Representatives and, in the event of the discovery of any unauthorized use or disclosure, must promptly notify the other party.

A party may disclose the other party's Confidential Information if required by law; but only after it notifies the other party (if legally permissible) to enable the other party to seek a protective order.

Neither party is required to restrict work assignments of Representatives who have had access to Confidential Information. Each party agrees that use of information in Representatives' unaided memories in the development or deployment of the parties' respective products or services does not create liability under this agreement or trade secret law, and each party agrees to limit what it discloses to the other accordingly.

These obligations apply (i) for Customer Data until it is deleted from the Online Services, and (ii) for all other Confidential Information, for a period of five years after a party receives the Confidential Information.

7. Privacy and compliance with laws.

- a. Institution consents to the processing of personal information by Microsoft and its agents to facilitate the subject matter of this agreement. Institution will obtain all required consents from third parties (including Institution's contacts, resellers, distributors, administrators, and employees) under applicable privacy and data protection law before providing personal information to Microsoft.
- b. Personal information collected under this agreement (i) may be transferred, stored and processed in the United States or any other country in which Microsoft or its service providers maintain facilities and (ii) will be subject to the privacy terms specified in the Use Rights. Microsoft will abide by the requirements of European Economic Area and Swiss data protection law regarding the collection, use, transfer, retention and other processing of personal data from the European Economic Area and Switzerland.
- c. **U.S. Export.** Products and Fixes are subject to U.S. export jurisdiction. Institution must comply with all applicable international and national laws, including the U.S. Export Administration Regulations, the International Traffic in Arms Regulations, and end-user, end use and destination restrictions by U.S. and other governments related to Microsoft products, services, and technologies.

8. Term and termination.

- a. **Effective date.** The effective date of this agreement will be the earlier of either the date the agreement is executed by Microsoft or the effective date of the first Enrollment.
- b. **Term.** This agreement will remain in effect unless terminated by either party as described below. Each Enrollment will have the term provided in that Enrollment.

- c. **Termination without cause.** Either party may terminate this agreement without cause upon 60 days' written notice. In the event of termination, new Enrollments will not be accepted, but any existing Enrollment will continue for the term of such Enrollment and will continue to be governed by this agreement.
- d. **Termination for cause.** Without limiting any other remedies it may have, either party may terminate an Enrollment if the other party materially breaches its obligations under this agreement, including any obligation to submit orders or pay invoices. Except where the breach is by its nature not curable within 30 days, the terminating party must give the other party 30 days' notice of its intent to terminate and an opportunity to cure the breach. If the breach affects other Enrollments and cannot be resolved between Microsoft and Institution within a reasonable period of time, Microsoft may terminate this agreement and all Enrollments under it. If Institution terminates an Enrollment as a result of a breach by Microsoft, then Institution will have the early termination rights described in the Enrollment.
- e. **Modification or termination of an Online Service for regulatory reasons.** Microsoft may modify or terminate an Online Service in any country or jurisdiction where there is any current or future government requirement or obligation that (1) subjects Microsoft to any regulation or requirement not generally applicable to businesses operating there, (2) presents a hardship for Microsoft to continue operating the Online Service without modification, and/or (3) causes Microsoft to believe these terms or the Online Service may be in conflict with any such requirement or obligation.
- f. **Program updates.** Microsoft may make changes to this program that will make it necessary for Institution to enter into a new agreement and Enrollment at the time of an Enrollment renewal.

9. Warranties.

a. Limited warranties and remedies.

- (i) **Software.** Microsoft warrants that each version of the Software will perform substantially as described in the applicable Microsoft user documentation for one year from the date Institution is first licensed for that version. If it does not and Institution notifies Microsoft within the warranty term, then Microsoft will, at its option (1) return the price Institution paid for the Software license, or (2) repair or replace the Software.
- (ii) **Online Services.** Microsoft warrants that each Online Service will perform in accordance with the applicable SLA during Institution's use. Institution's remedies for breach of this warranty are in the SLA.

The remedies above are Institution's sole remedies for breach of the warranties in this section. Institution waives any breach of warranty claims not made during the warranty period.

- b. **Exclusions.** The warranties in this agreement do not apply to problems caused by accident, abuse or use in a manner inconsistent with this agreement, including failure to meet minimum system requirements. These warranties do not apply to free, trial, pre-release, or beta products, or to components of Products that Institution is permitted to redistribute.
- c. **Disclaimer.** Except for the limited warranties above, Microsoft provides no other warranties or conditions and disclaims any other express, implied, or statutory warranties, including warranties of quality, title, non-infringement, merchantability, and fitness for a particular purpose.

10. Defense of third party claims.

The parties will defend each other against the third-party claims described in this section and will pay the amount of any resulting adverse final judgment or approved settlement, but only if the defending party is promptly notified in writing of the claim and has the right to control the defense and any settlement of it. The

party being defended must provide the defending party with all requested assistance, information, and authority. The defending party will reimburse the other party for reasonable out-of-pocket expenses it incurs in providing assistance. This section describes the parties' sole remedies and entire liability for such claims.

- a. **By Microsoft.** Microsoft will defend Institution against any third-party claim to the extent it alleges that a Product or Fix made available by Microsoft for a fee and used within the scope of the license granted (unmodified from the form provided by Microsoft and not combined with anything else) misappropriates a trade secret or directly infringes a patent, copyright, trademark or other proprietary right of a third party. If Microsoft is unable to resolve a claim of infringement under commercially reasonable terms, it may, at its option, either (1) modify or replace the Product or Fix with a functional equivalent; or (2) terminate Institution's license and refund any amount paid for Online Services for any usage period after the termination date. Microsoft will not be liable for any claims or damages due to Institution's continued use of a Product or Fix after being notified to stop due to a third-party claim.
- b. **By Institution.** To the extent permitted by applicable law, Institution will defend Microsoft against any third-party claim to the extent it alleges that: (1) any Customer Data or non-Microsoft software hosted in an Online Service by Microsoft on Institution's behalf misappropriates a trade secret or directly infringes a patent, copyright, trademark, or other proprietary right of a third party; or (2) Institution's use of any Product or Fix, alone or in combination with anything else, violates the law or damages a third party.

11. Limitation of liability.

For each Product, each party's maximum, aggregate liability to the other under this agreement is limited to direct damages finally awarded in an amount not to exceed the amounts Institution was required to pay for the applicable Products during the term of this agreement, subject to the following:

- a. **Online Services.** For Online Services, Microsoft's maximum liability to Institution for any incident giving rise to a claim will not exceed the amount Institution paid for the Online Service during the 12 months before the incident.
- b. **Free Products and Distributable Code.** For Products provided free of charge and code that Institution is authorized to redistribute to third parties without separate payment to Microsoft, Microsoft's liability is limited to direct damages finally awarded up to US\$5,000.
- c. **Exclusions.** In no event will either party be liable for indirect, incidental, special, punitive, or consequential damages, or for loss of use, loss of business information, loss of revenue, or interruption of business, however caused or on any theory of liability.
- d. **Exceptions.** No limitation or exclusions will apply to liability arising out of either party's (1) confidentiality obligations (except for all liability related to Customer Data, which will remain subject to the limitations and exclusions above); (2) defense obligations; or (3) violation of the other party's intellectual property rights.

12. Verifying compliance.

- a. **Right to verify compliance.** Institution must keep records relating to all use and distribution of Products by Institution and its Affiliates. Microsoft has the right, at its expense, to verify compliance with the Products' license terms. Institution must promptly provide the independent auditor with any information the auditor reasonably requests in furtherance of the verification, including access to systems running the Products and evidence of licenses for Products Institution hosts, sublicenses, or distributes to third parties. Institution agrees to complete Microsoft's self-audit process, which Microsoft may require as an alternative to a third party audit.
- b. **Remedies for non-compliance.** If verification or self-audit reveals any unlicensed use of Products, then within 30 days (1) Institution must order sufficient licenses to cover its use, and

(2) if unlicensed use or distribution is 5% or more, Institution must reimburse Microsoft for the costs Microsoft incurred in verification and acquire the necessary additional licenses at 125% of the price, based on the then-current price list and Institution price level. The unlicensed use percentage is based on the total number of licenses purchased for current use compared to actual install base. If there is no unlicensed use, Microsoft will not subject Institution to another verification for at least one year. By exercising the rights and procedures described above, Microsoft does not waive its rights to enforce this agreement or to protect its intellectual property by any other legal means.

- c. **Verification process.** Microsoft will notify Institution at least 30 days' in advance of its intent to verify Institution's compliance with the license terms for the Products Institution and its Affiliates use or distribute. Microsoft will engage an independent auditor, which will be subject to a confidentiality obligation. Any information collected in the self-audit will be used solely for purposes of determining compliance. This verification will take place during normal business hours and in a manner that does not interfere unreasonably with Institution's operations.
- d. Additionally, Institution must use reasonable efforts to make Users aware of the terms and conditions upon which they are allowed to use the Products. Accordingly, Institution must:
 - (i) Notify all Users in advance of using the Products that:
 - 1) their use of the Products is subject to the terms of this agreement, including but not limited to limitations on liability, disclaimer of warranties and exclusion of remedies;
 - 2) they are allowed to run the Products only during the Licensed Period;
 - 3) if this agreement is terminated, or an Enrollment expires and Institution does not purchase perpetual Licenses for the Products ordered under the Enrollment, then all Products run under this agreement or the applicable Enrollment must be deleted when the Licensed Period expires or is otherwise earlier terminated, whichever is first;
 - (ii) Periodically publish in an Organization-wide publication and applicable web sites a reference to the location (either physical or on a computer network) where they can view the Product Terms and Use Rights;
 - (iii) Notify Microsoft immediately if Institution becomes aware of any actual or potential violation of this agreement; and
 - (iv) Provide all reasonable assistance and cooperation Microsoft requests to investigate and remedy any unauthorized use of the Products by Users.

If Institution complies with this section, Institution will not be responsible for Student Users' failure to comply with the terms of this agreement.

13. **Miscellaneous.**

- a. **Use of contractors.** Microsoft may use contractors to perform services, but will be responsible for their performance, subject to the terms of this agreement.
- b. **Microsoft as independent contractor.** The parties are independent contractors. Institution and Microsoft each may develop products independently without using the other's Confidential Information.
- c. **Notices.** Notices to Microsoft must be sent to the address on the signature form. Notices must be in writing and will be treated as delivered on the date shown on the return receipt or on the courier or fax confirmation of delivery. Microsoft may provide information to Institution about upcoming ordering deadlines, services, and subscription information in electronic form, including by email to contacts provided by Institution. Emails will be treated as delivered on the transmission date.
- d. **Agreement not exclusive.** Institution is free to enter into agreements to license, use, or promote non-Microsoft products or services.

- e. **Amendments.** Any amendment to this agreement must be executed by both parties, except that Microsoft may change the Product Terms and Use Rights from time to time, subject to the terms of this agreement. Any additional or conflicting terms and conditions contained in Institution's or a reseller's purchase order are expressly rejected and will not apply. Microsoft may require Institution to sign a new agreement or an amendment to an existing agreement before processing a new order or entering into an Enrollment.
- f. **Assignment.** Either party may assign this agreement to an Affiliate, but it must notify the other party in writing of the assignment. Any other proposed assignment must be approved by the non-assigning party in writing. Assignment will not relieve the assigning party of its obligations under the assigned agreement. Any attempted assignment without required approval will be void.
- g. **Applicable law, venue, and jurisdiction.** This agreement is governed by the laws of the state where Institution is organized or formed. Both parties agree that the federal courts have exclusive jurisdiction over disputes under this agreement and the resolution. Any legal actions relating to this agreement must be brought in a court of competent jurisdiction with federal courts located in the jurisdiction of the state where Institution is organized, and the parties agree that jurisdiction and venue in such courts is appropriate.

The parties consent to personal jurisdiction in the agreed venue. This choice of venue does not prevent either party from seeking injunctive relief in any appropriate jurisdiction with respect to a violation of intellectual property rights or confidentiality obligations.

- h. **Severability.** If any provision in this agreement is held to be unenforceable, the balance of the agreement will remain in full force and effect.
- i. **Waiver.** Failure to enforce any provision of this agreement will not constitute a waiver. Any waiver must be in writing and signed by the waiving party.
- j. **No third-party beneficiaries.** This Agreement does not create any third-party beneficiary rights.
- k. **Survival.** All provisions survive termination or expiration of this agreement except those requiring performance only during the term of the agreement.
- l. **Taxes.** If any amounts are to be paid to Microsoft, the amounts owed are exclusive of any taxes unless otherwise specified on the invoice as tax inclusive. Institution shall pay all value added, goods and services, sales, gross receipts, or other transaction taxes, fees, charges, or surcharges, or any regulatory cost recovery surcharges or similar amounts that are owed under this agreement and that Microsoft is permitted to collect from Institution under applicable law. Institution shall be responsible for any applicable stamp taxes and for all other taxes that it is legally obligated to pay, including any taxes that arise on the distribution or provision of Products by Institution to the Organization. Microsoft shall be responsible for payment of all taxes based upon its net income, gross receipts taxes imposed in lieu of taxes on income or profits, or taxes on Microsoft's property ownership.

If any taxes are required to be withheld on payments made to Microsoft, Institution may deduct such taxes from the amount owed and pay them to the appropriate taxing authority; provided, however, that, Institution promptly secures and delivers to Microsoft an official receipt for those withholdings and other documents Microsoft reasonably requests to claim a foreign tax credit or refund. Institution must ensure that any taxes withheld are minimized to the extent possible under applicable law.

- m. **Management and reporting.** Institution must provide and manage account details (e.g., contacts, orders, Licenses, software downloads) on Microsoft's Volume Licensing Service Center web site (or its successor site) at <https://www.microsoft.com/licensing/servicecenter>. On the effective date of this agreement and any Enrollments, the contact(s) Institution has identified for this purpose will be provided access to this site and may authorize additional users and contacts.

- n. **Order of precedence.** In the case of a conflict between any documents in this agreement that is not expressly resolved in the documents, their terms will control in the following order, from highest to lowest priority: (1) this Campus and School Agreement, (2) any Enrollment, (3) the Product Terms, (4) the Online Services Terms, (5) orders submitted under this agreement, and (6) any other documents in this agreement. Terms in an amendment control over the amended document and any prior amendments, concerning the same subject matter.
- o. **FERPA.** Upon receipt of a judicial order or lawfully issued subpoena requiring the disclosure of personally identifiable information from education records related to Institution in Microsoft's possession, Microsoft or an Affiliate of Microsoft will attempt to redirect the request to Institution. If compelled to disclose personally identifiable information from education records related to Institution to a third party, Microsoft will use commercially reasonable efforts to notify Institution in advance of a disclosure unless legally prohibited. Institution understands that Microsoft may have no or limited contact information for Institution's students and students' parents in its possession. Consequently, Institution will convey notification on behalf of Microsoft to students (or, with respect to a student under 18 years of age and not in attendance at a postsecondary institution, to the student's parent) of such an order or subpoena as may be required under applicable law.

Terms and Conditions

1. Definitions.

Terms used but not defined in this Enrollment will have the definition in the Campus and School Agreement. The following definitions also apply:

"Additional Product" means any Product identified as such in the Product Terms and chosen by Institution under this Enrollment.

"Customer," as used in certain supplemental forms (for example, the signature form), has the same meaning as "Institution."

"Education Platform Product" means any Product chosen by Institution under this Enrollment, and designated as an Education Platform Product in the Product Terms. Education Platform Products may only be licensed on an Organization-wide basis, or for the full Student Count.

"Education Qualified User" means an employee or contractor (except Students) who accesses or uses an Education Platform Product for the benefit of the Institution.

"Expiration Date" means the date upon which the Enrollment expires.

"Institution" means the entity that is (1) a Qualified Educational User (as defined at <http://www.microsoft.com/licensing/contracts>) as of the effective date of this agreement that has entered into this agreement with Microsoft or (2) an Affiliate of Institution that has entered into an Enrollment under this agreement. If Institution is a school district, "Institution" includes all participating schools in the same district.

"Organization-wide Count" means the total number of Education Qualified Users in the Organization as listed in the "Licensing options; rights and restrictions" table included in this Enrollment.

"Previous Enrollment or Agreement" means a School Subscription Enrollment, a Campus Subscription Enrollment, an Enrollment for Education Solutions, or an Open Value Subscription Agreement for Education Solutions.

"Qualified Device" means any device that is used by or for the benefit of the Organization or by or for the benefit of Students enrolled in the Organization and is: (1) a personal desktop computer, portable computer, workstation, or similar device capable of running Windows Pro locally (in a physical or virtual operating system environment) or (2) a device used to access a virtual desktop infrastructure ("VDI"). Qualified Devices do not include any device that is designated as a server and not used as a personal computer, or not Managed (as defined in the Product Terms at the start of the applicable initial or renewal term of the Enrollment). At its discretion, Institution may designate any device excluded above that is used by or for the benefit of the Organization as a Qualified Device for all or a subset of Education Platform Products or Online Services Institution has selected. "Qualifying Enrollment" means an Enrollment for Education Solutions, the minimum requirements of which were met and which was entered into by Institution or Institution's Affiliate, and that is active and valid upon signing of this Enrollment. Institution must have been included in the Organization under an Enrollment for Education Solutions that is used as the Qualifying Enrollment.

"Reseller" means an entity authorized by Microsoft to resell Licenses under this program and engaged by Institution to provide pre- and post-transaction assistance related to this agreement.

"Student Count" means the total number of Students in the Organization as listed in the "Licensing options; license rights and restrictions" table included in this Enrollment.

"Student Qualified Device" means a Qualified Device owned, leased, or controlled by a Student or owned, leased, or controlled by the Organization and assigned for individual, dedicated use by a Student.

"Subscription License" means, for purposes of this Enrollment, a fixed term license that expires when the Enrollment expires or is terminated unless the buyout option is exercised. Any License ordered under this Enrollment is a Subscription License, even if it is otherwise designated on the purchase order.

2. Order requirements.

- a. **Minimum order requirements for Enrollment for Education Solutions.** This Enrollment allows Institution to license Products on a subscription basis across its Organization. Institution defines its Organization and can select from two different licensing options (Education Qualified Users or Students), depending on the Users it wishes to enable to use the Products.

The initial order must include Subscription Licenses for at least:

- (i) One Education Platform Product for an Organization-wide Count of at least 1,000; or
- (ii) One Education Platform Product for a Student Count of at least 1,000; or
- (iii) A mix of Education Platform Products that may be ordered as described in the Product Terms.

These minimum requirements are waived if Institution has a Qualifying Enrollment. Institution must submit an order within 30 days of the effective date of the Enrollment. Microsoft may refuse to accept this Enrollment if it has a business reason for doing so.

- b. **Additional Products.** Upon satisfying the minimum order requirements above, Institution may order Additional Products. For Additional Products identified in the Product Terms as licensed Organization-wide or for the full Student Count, Institution must order Licenses equal to the Organization-wide Count or Student Count, as applicable.
- c. **Use Rights for Education Platform Products.** For Education Platform Products other than Online Services, if a new Product version has more restrictive use rights than the version that is current at the start of the applicable initial or renewal term of the Enrollment, those more restrictive use rights will not apply to Institution's use of that Product during that term.
- d. **Country of usage.** Institution must specify the countries where Licenses will be used on its initial order and on any additional orders.
- e. **Resellers.** Orders must be submitted to an authorized Reseller who will transmit the order to Microsoft. The Reseller and Institution determine pricing and payment terms as between them, and Microsoft will invoice the Reseller based on those terms. Resellers and other third parties do not have authority to bind or impose any obligation or liability on the Microsoft Affiliate that enters into this Enrollment.
- f. **Adding Products.**
 - (i) **Adding new Products not previously ordered.** New Education Platform Products and Additional Products may be added at any time by contacting a Reseller. New Additional Products, other than Online Services, may be used if an order is placed in the month the Product is first used. For Online Services not previously ordered, an initial order for the Online Service is required prior to use.
 - (ii) **Adding Licenses for previously ordered Products.** For Education Platform Products other than Online Services and for Additional Products licensed Organization-wide or for the full Student Count, Institution is not required to obtain additional Licenses based on increases in the Organization-wide Count or Student Count after the date of the order. Institution must provide Microsoft with an updated Organization-wide Count or Student Count to account for any such increases on each anniversary of the Enrollment effective date during the Licensed Period. Additional Licenses for Online Services must be ordered prior to use.
 - (iii) **Invoicing.** Microsoft will invoice Institution's Reseller for such Products ordered on a pro-rated basis based on the greater of (i) the number of full calendar months remaining in the Licensed Period or (ii) six months. Microsoft will invoice the Reseller for Online Services ordered on a pro-rated basis based on the number of full calendar months remaining in the Licensed Period. If Institution subsequently orders Licenses for Additional Products that were not included on Institution's initial order, Microsoft will use the price list in effect on the date of the invoice to charge Institution's Reseller for the additional Licenses. If Institution subsequently orders additional Licenses for Products that were included in Institution's initial order, Microsoft will use the price list in effect when the product was initially ordered to charge Institution's Reseller for the additional Licenses.

g. Annual orders. Institution must submit annual orders as follows:

(i) Annual order requirements. If Institution has a three-year Licensed Period, it must submit an annual order that accounts for any changes since the initial order or last annual order, including its updated Organization-wide Count or Student Count. Each annual order must include Licenses for at least the same types and quantities of Products as Institution ordered during the year following the Enrollment effective date or last anniversary date, except for permitted reductions, step-ups, add-ons and any Additional Products not ordered Organization-wide.

(ii) Subscription License Reductions. Institution may reduce the quantity of Subscription Licenses at the enrollment anniversary date on a prospective basis as follows:

1. For Enterprise Platform Products, Licenses can be reduced, as long as the initial order minimum requirements are maintained.
2. For Additional Products ordered Organization-wide or for the full Student Count, the quantity of Licenses can be reduced provided it remains equal to Institution's Organization-wide Count or Student Count (as applicable).
3. For other Additional Products, Institution may reduce the Licenses. If the License count is reduced to zero, then Institution's use of the applicable Subscription License will be cancelled.

(iii) Annual order period. Microsoft must receive an anniversary order prior to each Enrollment anniversary date. Institution may order more often than at each Enrollment anniversary date except for Subscription License reductions.

h. Buy-out option. Institution may buy out active Subscription Licenses acquired under this Enrollment for Products other than Online Services (if permitted) and acquire perpetual Licenses for the latest version of the Product as of the Expiration Date by placing an order for such Licenses. A buy-out option is available if Institution has licensed the Products under one or more Enrollments (including any extensions) for at least 36 full calendar months immediately preceding the Expiration Date. To exercise its buy-out option, Institution must submit and Microsoft must receive the buy-out order no more than 30 days prior to the Expiration Date. The Expiration Date will be the invoice date for the buy-out order. Institution may order perpetual Licenses for Education Platform Products and Additional Products licensed Organization-wide in a quantity at least equal to the Organization-wide Count, but not more than the number of Qualified Devices in the Organization on the date of the buy-out order. Institution may order perpetual Licenses for Additional Products in a quantity equal to the lowest number of Licenses ordered during any of the three 12-month periods immediately preceding the expiration of the Enrollment. The buy-out option is not available for Products licensed under the Student licensing option. Except as specifically provided otherwise in the Use Rights, perpetual Licenses acquired through the buy-out option are device Licenses.

i. How to confirm orders. Microsoft will publish password-protected information about orders placed by Institution, including an electronic confirmation of each order, at the Volume Licensing Service Center (<https://www.microsoft.com/licensing/servicecenter>) or a successor site. Upon Microsoft's acceptance of this Enrollment, the individual designated by Institution as its Online Administrator will be granted access to this site.

j. Step up licenses. For Licenses eligible for a step-up under this Enrollment, Institution may step-up to a higher edition or suite. The order requirements set forth in the subsection above titled "Adding Licenses for previously ordered Products" apply to all step-ups.

3. Pricing.

a. Subscription price. This section shall not apply to Products licensed to Institution at special promotion prices to distributor or Reseller, as applicable.

- (i) **One-year Licensed Period.** Microsoft will not increase the price it charges to the Reseller for an annual extension of a License by more than ten percent (10%) (as determined with reference to U.S. funds, regardless of the currency in which amounts are invoiced or payment is made) over the immediately preceding one year Licensed Period if Institution submits an extension order prior to the expiration of the Enrollment for the same Products in the same quantities as ordered in the expiring Licensed Period.
- (ii) **Three-year Licensed Period.** If Institution chooses a three-year Licensed Period and complies with the ordering requirements in this Enrollment, provided Institution qualifies for the same price level for the entire Licensed Period, for any Products ordered during the Licensed Period, Microsoft will charge the Reseller the same price for a License on each annual order as when Institution first ordered the Product, except for step-ups.
- b. **Price levels.** Institution's Organization-wide Count or Student Count, as applicable, determines the price level for Education Platform Products (A, B, C, or D). If Institution chooses to extend this Enrollment, the price level will be reset at the start of the extension term based on Institution's Organization-wide Count or Student Count at the time the extension order is placed. There are no price levels for Additional Products. Provided that Institution qualifies for the same price level for the entire term, Institution's price level does not change during the term of the Enrollment. If Institution qualifies for a different price level during the applicable initial or renewal term, Microsoft may at its discretion establish a new price level for future new orders either upon Institution's request or on its own initiative.

<input checked="" type="checkbox"/>	1,000	A
<input type="checkbox"/>	3,000	B
<input type="checkbox"/>	10,000	C
<input type="checkbox"/>	25,000	D

<input type="checkbox"/>	1,000	A
<input checked="" type="checkbox"/>	3,000	B
<input type="checkbox"/>	10,000	C
<input type="checkbox"/>	25,000	D

- c. **Setting Prices.** The price Institution will pay to license the Products will be determined by agreement between Institution and its Reseller. However, Microsoft will provide the Reseller with pricing at the outset of this Enrollment and will not increase the prices that it charges the Reseller for the Products during the term of the Enrollment.

4. **Qualifying systems Licenses.**

The desktop operating system Licenses granted under this program are upgrade Licenses only. Full desktop operating system Licenses are not available under this program. If Institution selects the Windows Desktop Operating System Upgrade, all Qualified Devices on which Institution runs the Windows Desktop Operating System Upgrade must be licensed to run one of the qualifying operating systems identified in the Product Terms.

5. End of Enrollment term and termination.

- a. **General.** Microsoft will notify Institution in writing prior to the expiration of the Enrollment. The notice will advise Institution of the option to (1) renew the Enrollment, (2) submit a new Enrollment, (3) exercise the buy-out option, or (4) allow the Enrollment to expire. Microsoft will not unreasonably reject any extension order or new Enrollment. However, Microsoft may make a change to this program that will make it necessary for Institution to enter into a new agreement prior to extending or submitting new Enrollment. Each Licensed Period will start the day following the expiration of the prior Licensed Period.
- b. **Extension orders.** Institution may elect to extend its initial Licensed Period for subsequent terms not to exceed 72 consecutive months from the initial effective date using any combination of (1) extension terms of 12 full calendar months and (2) one extension term of 36 full calendar months. Institution must submit, and Microsoft must receive, an extension order prior to the expiration of the Licensed Period.
- c. **If Institution elects not to renew.**
 - (i) **Subscription Licenses buy-out.** Institution may elect to obtain perpetual Licenses as described in the Section titled "Buy-out option" for Licenses for which a buy-out is available.
 - (ii) **Expiration of Enrollment.** Institution may allow the Enrollment to expire. If the Enrollment expires, the Licenses will be cancelled and will terminate as of the Expiration Date. Any associated media must be uninstalled and destroyed, and Organization must discontinue use. Microsoft may request written certification to verify compliance. Because all Licenses acquired under this agreement are temporary, Institution will not be eligible to obtain Software Assurance for those Licenses under any other Microsoft Volume licensing program without first acquiring a perpetual License or License and Software Assurance (L&SA).
- d. **Termination for cause.** Any termination for cause of this Enrollment will be subject to the "Termination for cause" section of the Agreement.
- e. **Early termination.** If Institution terminates its Enrollment as a result of a breach by Microsoft, or if Microsoft terminates an Online Service for regulatory reasons, Microsoft will issue Institution's Reseller a credit for any amount paid in advance for the period after termination.
