

## Arbiter Registration Plans & Features

We offer all-inclusive, annual subscription plans for K-12 schools. We work with thousands of school administrators to streamline sign-ups for school programs, clubs and activities.

## Subscription Type

School Plan 2023-2024

### Pricing

Arbiter Registration's (formerly FamilyID) pricing for schools is simple. It's based on your number of unique program participants and does not cap the number of programs they register for. Schools love how this allows them the freedom to collect as many registrations for those participants as they need throughout the entire school year!

Number of Participants	Subscription Pricing
First 500 unique participants	\$1,460 (minimum)
From participant 501-6,000	\$2.55 each
From participant 6,001 and up	\$2.25 each

### Features

Your subscription includes all the core features you need to start running more efficient programs and improving the registration process for your school and for the families in your community! That includes our best-of-breed technology, integration with other software partners, and access to our unsurpassed customer care team. Arbiter Registration truly is the gold-standard in online registration!

#### Included Platform Features:

- One administrative account/landing page for every 500 participants
- Landing page customization & branding
- Unlimited program listings with registrations forms that you can customize in minutes
- Access to thousands of program templates
- Enhanced photo gallery to make your programs stand out from the crowd
- Embed video and bring your organization to life
- Social media links (Facebook and Twitter) to grow your social followers
- Optional integration with our payment partners (PayPal, Stripe or MySchoolBucks)
- Optional integration with our scheduling partners (Schedule Star, ScheduleGalaxy)

#### Included Support:
