#### **COURSE DESCRIPTION**

**Course Title:** United States History I CP

**Course Number:** 00111

**Course Prerequisites:** N/A

**Course Description:** United States History I CP will cover the period from Colonial America through the post-Civil War eras of Reconstruction and the Gilded Age. The course will examine how the United States faced the problems of settling new lands and forming a new government. Students will also look at the problems preserving the Union and resolving the issue of slavery. There will be an emphasis on how the government was formed and the challenges of a young nation. This course will include an overview of the social, economic, cultural, and historical developments and how these forces affected the politics of the times. College Preparatory (CP) U.S. History I differs from U.S. History I in that greater emphasis is placed on the skills required for success at the college level. Thus, CP students will do more supplemental readings (especially primary source documents) as well as more writing assignments and research. It is recommended that students take this course only if they attained a final average of at least 80 percent in Civics. District marking period assessments are required.
