Mr. David Undercoffer  
Warren County School District  
6820 Market Street  
Russell, PA 345-3406

Re: Eisenhower Water System

Dear Mr. Undercoffer:

Thank you for contacting us regarding the water system serving the Eisenhower Elementary School and the Eisenhower Middle/High School. Deiss & Halmi Engineering, Inc. is pleased to provide this proposal for the following engineering services:

1. Prepare a Noncommunity Water System Application to document the water treatment system and submit that documentation to PaDEP. It is our understanding that PaDEP has requested said documentation despite it having been submitted previously. Based on my conversation with the PaDEP Sanitarian, only the Noncommunity Water System Application and Module 2 need to be submitted, along with a "quasi" Design Engineer's Report to document the complete treatment process.
2. With the Noncommunity Water System Application, include a request to add an additional manganese greensand filter tank in order to increase the flow rate entering the underground storage tank.

Our services will be rendered on an hourly basis in accordance with our attached fee schedule. Our estimate to complete the services outlined above is \$4,000, although the actual total may end up being more or less. Our estimate does not include application fees or other fees charged by PaDEP or other governmental agencies. Such fees will be paid separately by the applicant. Also, any required laboratory testing fees will be the responsibility of the owner.

This estimate does not at this time include any services associated with bidding or during or after construction, including but not limited to bidding, construction management, inspection, or post-construction certification. Should any such services be requested, we will also render those services in accordance with our hourly fee schedule.

If you need any additional information in regard to our firm or this proposal please feel free to contact me. Your signature below will indicate your acceptance of this proposal and authorize us to proceed. Thank you again for the opportunity to be of service.

Very truly yours,  
DEISS & HALMI ENGINEERING, INC.

Steven R. Halmi, P.E.

Encl.: Fee Schedule

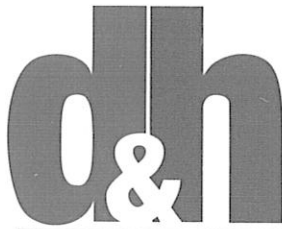

The undersigned client accepts this proposal and agrees to the terms for payment below:

\_\_\_\_\_  
Signature of authorized representative

\_\_\_\_\_  
Printed name and title

\_\_\_\_\_  
Date

Terms for payment: Payment will be made to Deiss & Halmi Engineering, Inc. for the amount invoiced within 30 days of the date of the invoice. Late payments may be charged a 1 percent per month interest charge, compounded monthly starting 30 days after the date of the invoice. Client will be responsible for all costs and expenses associated with collection of payments, including reasonable attorneys' fees and staff time at the rates shown on the attached fee schedule.
