**1.0 Opening Activities**

**1.1 Call to Order**

The meeting was called to order at 6:02 p.m.

**1.2 Public Comment**

Kim Angove	Ms. Kim Angove expressed that the topic of school closures is a challenging and sensitive issue, especially since children are observing how adults handle the situation. She emphasized the importance of addressing the matter with respect and kindness, assuring that no one

	intends to harm children. According to her, the issue is not financial but revolves around curriculum and enrollment. She stated that the current class sizes do not allow for providing the quality education that children in the county deserve. Ms. Angove stressed the need for sufficient enrollment to sustain classes and urged a focus on offering better schedules and curricula to support the future of the county, rather than dwelling on the past.
