RE: Renaming Sheffield Area Middle Senior High School Sports Complex

Dear Mr. Webber,

The Board of Supervisors is requesting permission from the Warren County School District to proceed with renaming the Sheffield Area Middle Senior High School Sports Complex to be "The Thomas J. Dunn Sports Complex."

This request was initially submitted in March 2021 but was declined due to S.D. Code 6510 which required the person the complex is being named after, to be deceased for a minimum of three years. At this time, we would like to finalize renaming the complex as we are now past the time requirement.

If you have any questions or concerns, please contact me at the office.

Sincerely,

Cara Schrader, Administrator
