Costars #008490

New
\$23,225

We respectfully submit this quotation for the following NEW Toyota Internal Combustion Lift Truck (1 each):

Toyota...Proud to be the world's #1 forklift manufacturer!

TOYOTA MODEL 8FGU15, Internal Combustion Lift Truck, quality engineered with the following specification:

- Pneumatic Tires
- LP Gas Powered - UL Type "LP" Rating

This forklift is equipped with a 3-Way Catalytic Muffler System as standard equipment, and conforms to current Federal EPA and California ARB regulations for off-road large spark ignited engines.

SYSTEM OF ACTIVE STABILITY™ (SAS)

Toyota's industry exclusive System of Active Stability (SAS) helps reduce lift truck instability by electronically monitoring and controlling various functions of the lift truck.

- **Active Control Rear Stabilizer:** Various lift truck sensors simultaneously monitor vehicle speed, fork height, load weight, and vehicle yaw (or angular acceleration). Should the operator inadvertently place the truck in a potentially unstable lateral condition, the sensors trigger the SAS controller to activate the Active Control Rear Stabilizer to help reduce the likelihood of a lateral tip over. (Note: Does not apply to dual drive configured models)
- **Active Mast Function Controller (AMC):** Should the operator inadvertently place the lift truck in a potentially unstable longitudinal condition, these same sensors trigger the SAS controller to activate the AMC, which limits forward tilt and/or tilt back speed to help reduce the likelihood of a longitudinal tip over.

Photo may portray optional equipment not included in your quotation.

AUTOMATIC FORK LEVELING

Toyota's Automatic Fork Leveling feature increases productivity while reducing damage with a push of a button. By depressing the Automatic Fork Leveling button during forward tilt, operators are quickly and easily able to level the forks.

TOYOTA ENGINE

Engineered to the highest standards of quality, durability, and reliability, your Toyota 8-Series lift truck is outfitted with the industry's most respected industrial engines.

ULTRA COMFORT 4-WAY ADJUSTABLE, FULL SUSPENSION SEAT WITH NON CINCHING SEAT BELT

Operator comfort is taken to a new level with Toyota's Ultra Comfort 4-way adjustable, full suspension vinyl seat. With lumbar, weight, tilt, and almost 6 inches of fore/aft adjustability, your operators will be comfortable and productive throughout their shift. Standard Non-cinching seat belts provide additional comfort in applications requiring frequent reverse travel.

Mast 3-Stage (FSV) mast with full free lift provides excellent visibility to load and fork tips, while providing smooth, quiet and consistent operation. Mast specifications:
 Maximum Fork Height - **189"**
 Overall Lowered Height - **84.4"** (Overhead Guard Height - **81.90"**)
 Free Lift - **34.8"** with standard Load Backrest

Lifting Capacity **Base Model Capacity - 3,000 lbs. @ 24" load center**
Actual Capacity, based on quoted specifications, - 2,500 lbs. @24" load center to 189" MFH

Actual capacity ratings stated above are based on standard features, options, and attachments available through Toyota at the time of quoting. Non-standard features, options, and attachments may affect actual capacity ratings. Please contact your Toyota sales representative for additional information.

Tilt 10 degrees forward and 6 degrees backwards

Carriage ITA Hook Type, 36" Carriage

Forks **Forks 36" x 4" x 1.4" - Class II**

Load Backrest 60" High Load Backrest

Attachments **Cascade 36" Hang-on Sideshifter (Includes 3rd Function Internal Hosing)**

Speeds Travel Speed: 11.80 mph Lift Speed: 125 fpm

Engine Toyota 2.2L 4Y-ECS Industrial Gasoline Engine
 136 cubic inch displacement, 4 cylinder, overhead valve (OHV)
 Net Torque Rating: 118 @ 2100 rpm SAE ft-lb (gasoline system)
 Net Horsepower Rating: 51 @ 2570 rpm SAE HP

Transmission Automatic Transmission
 1 speed forward, 1 speed reverse standard.

Steering Load Sensing Hydrostatic Power Steering with Tilt Steering Column

Wheels and Tires Front Tires: 6.50-10-10PR (Pneumatic)
 Rear Tires: 5.00-8-8PR (Pneumatic)

Investment	Price-Toyota Model 8FGU15 as specified above:	\$23,255	Each
	Net Price:	\$23,255	Each

Financing and Maintenance A broad range of competitive and flexible financing options are available through Toyota. Financing requires credit approval. Terms and conditions are subject to change.

In addition, Full Maintenance and Planned Maintenance programs are available.

1. **60-month Lease. Total monthly payments of \$442.06 plus applicable taxes. First payment is due in advance. An end of term purchase option of \$1.00 is available at contract signing.**
