

1
2 **10000 Students**
3

4 **10970 Suicide Awareness, Prevention, and Response**
5

6 As a part of the Board's commitment to protecting the health, safety and welfare of its
7 students, staff, and school community, this policy is intended to provide education on
8 youth suicide awareness and prevention; to establish methods of prevention, intervention,
9 and response to suicide or suicide attempt; and to promote access to suicide awareness
10 and prevention resources.

11
12 The District shall notify District employees, students, and parents/guardians of this policy
13 and shall post the policy on the District's website.
14

15 **SUICIDE AWARENESS AND PREVENTION EDUCATION**
16

17 **Protocols for Administration of Student Education**
18

19 Students shall receive age-appropriate education on the importance of safe and healthy
20 choices, coping strategies, how to recognize ~~risk factors~~ and warning signs, as well as
21 help-seeking strategies for self or others including how to engage school resources and
22 refer friends for help.
23

24 Lessons shall contain information on comprehensive health and wellness, including
25 emotional, behavioral, and social skills development.
26

27 **Protocols for Administration of Employee Education**
28

29 All District employees shall receive information regarding ~~risk factors~~, warning signs,
30 response procedures, referrals, and resources regarding youth suicide prevention.
31

32 As part of the District's professional development plan, professional educators in school
33 buildings serving students in grades six through twelve shall participate in four hours of
34 youth suicide awareness and prevention training every five years.
35

36 Additional professional development in risk assessment and crisis intervention shall be
37 provided to school counselors, District mental health professionals, and school nurses.
38

39 **METHODS OF PREVENTION**
40

41 The methods of prevention utilized by the District include, but are not limited to, early
42 identification and support for students at risk; education for students, staff and

1 parents/guardians; and delegation of responsibility for planning and coordination of
2 suicide prevention efforts.

3
4 Suicide Prevention Coordinators

5
6 A District-wide suicide prevention coordinator, and a suicide prevention coordinator at
7 each school, shall be designated to be responsible for planning and coordinating
8 implementation of this policy.

9
10 Early Identification Procedures

11
12 Early identification of individuals **with exhibiting** one (1) or more ~~suicidal risk factors or~~
13 ~~of individuals exhibiting~~ warning signs is crucial to suicide prevention efforts.

14
15 *Risk factors* refer to ~~personal or environmental characteristics associated with suicide~~
16 ~~including, but not limited to:~~

17
18 Behavioral Health Issues/Disorders:

- 19
20 1. ~~Depression.~~
21 2. ~~Substance abuse or dependence.~~
22 3. ~~Previous suicide attempts.~~
23 4. ~~Self-injury.~~

24
25 Personal Characteristics:

- 26
27 1. ~~Hopelessness/low self-esteem.~~
28 2. ~~Loneliness/social alienation/isolation/lack of belonging.~~
29 3. ~~Poor problem solving or coping skills.~~
30 4. ~~Impulsivity/risk taking/recklessness.~~

31
32 Adverse/Stressful Life Circumstances:

- 33
34 1. ~~Interpersonal difficulties or losses.~~
35 2. ~~Disciplinary or legal problems.~~
36 3. ~~Bullying (victim or perpetrator).~~
37 4. ~~School or work issues.~~
38 5. ~~Physical, sexual or psychological abuse.~~
39 6. ~~Exposure to peer suicide.~~

40
41 Family Characteristics:

- 42
43 1. ~~Family history of suicide or suicidal behavior.~~
44 2. ~~Family mental health problems.~~
45 3. ~~Divorce/death of parent/guardian.~~
46 4. ~~Parental Child relationship.~~

1
2
3 *Warning signs* are indications that someone may ~~be in danger~~ **have an increased risk** of
4 suicide, either immediately or in the near future. Warning signs include, ~~but are not~~
5 ~~limited to:~~

- 6
- 7 1. Expressions such as hopelessness, rage, anger, seeking revenge, feeling trapped,
- 8 anxiety, agitation, no reason to live or sense of purpose.
- 9 2. Recklessness, ~~or~~ risky behavior, **or self-injury**.
- 10 3. Increased alcohol or drug use.
- 11 4. Withdrawal from friends, family, or society.
- 12 5. Dramatic mood changes.
- 13

14 Referral Procedures

15
16 If a student is identified by a District employee as being at increased risk of suicide,
17 **either immediately or in the near future**, because ~~(i)~~ he/she has been identified as
18 ~~having one (1) or more of the risk factors specified above or (ii) has been identified as~~
19 exhibiting a warning sign specified above, ~~indicating he/she may be in danger of suicide,~~
20 ~~either immediately or in the near future~~, the District employee shall refer the student to
21 the designated District representative for the implementation of further assessment and
22 intervention.

23 **METHODS OF INTERVENTION**

24
25
26 The methods of intervention utilized by the District include, but are not limited to,
27 responding to suicide threats, suicide attempts in school, suicide attempts outside of
28 school, and family intervention for a completed suicide by a student.

29 Procedures for Students identified as having an Increased Risk of Suicide

30
31
32 A District-approved suicide assessment instrument may be used by trained mental health
33 staff such as counselors, psychologists, social workers.

34
35 Parents/Guardians of a student identified as being at increased risk of suicide, **either**
36 **immediately or in the near future, because the student has been identified as**
37 **exhibiting a warning sign specified herein**, shall be notified by the school. If the school
38 suspects the student's risk status is the result of abuse or neglect, school staff shall notify
39 Children and Youth Services pursuant to District Policy 10960.

40
41 The District shall identify mental health service providers to whom students can be
42 referred for further assessment and assistance, which may include hospital emergency
43 departments, psychiatric hospitals, community mental health centers, psychiatrists,
44 psychologists, social workers, and primary care providers.

45
46 The District shall create an emotional or mental health safety plan to support a student
47 and the student's family if the student has been identified as being at risk of suicide.

1 **DOCUMENTATION PROCEDURES**

2
3 **If a student has been identified as being at increased risk of suicide, either**
4 **immediately or in the near future, because he/she has been identified as exhibiting a**
5 **warning sign specified herein, the District shall document the reasons for referral**
6 **and the warning sign(s) identified as indications the student may be at risk. The**
7 **District shall document observations, recommendations and actions/responses**
8 **conducted throughout the intervention and assessment process including verbal and**
9 **written communications with students, parents/guardians, and mental health**
10 **service providers.**

11
12 **Information, documents, and reports shall be provided, as appropriate, to the**
13 **Superintendent, school counselors, District mental health professionals, and school**
14 **nurses.**

15
16 **METHODS OF RESPONSE TO SUICIDE OR SUICIDE ATTEMPT BY A STUDENT OR**
17 **STAFF**

18
19 The District’s methods of response to a student or staff suicide or a suicide attempt
20 include, but are not limited to:

- 21
22 1. Identifying and training the school crisis response/crisis intervention team.
23 2. Determining the roles and responsibilities of each crisis response team member.
24 3. Notifying students, employees, and parents/guardians or spouses.
25 4. Referrals to appropriate mental health service providers.
26 5. Working with families.
27 6. Responding appropriately to the media.
28 7. Collaborating with community providers.
29

30 Re-Entry Procedures

31
32 A District-employed mental health professional, the building principal, or a **the school’s**
33 **suicide prevention coordinator shall meet with the parents/guardians of a student**
34 **returning to school after an absence that a parent/guardian has identified as being due to**
35 **mental health and if appropriate, meet with the student to discuss re-entry and applicable**
36 **next steps to ensure the student’s readiness to return to school. When authorized by the**
37 **student’s parent/guardian, a designated District employee may also coordinate with the**
38 **appropriate outside mental health care providers as necessary to ensure the student’s**
39 **readiness to return to school.**

40
41 **DOCUMENTATION PROCEDURES**

42
43 ~~The District shall document the reasons for referral, including specific warning signs and~~
44 ~~risk factors identified as indications the student may be at risk. The District shall~~
45 ~~document observations, recommendations and actions/responses conducted throughout~~
46 ~~the intervention and assessment process including verbal and written communications~~
47 ~~with students, parents/guardians, and mental health service providers.~~
