

AGREEMENT BETWEEN
Warren County School District AND
HEAD START of Warren County
MEMORANDUM OF UNDERSTANDING
Between

Warren County School District

And

Warren County Head Start Agency

This Memorandum of Understanding is for the purpose of coordinating mutually beneficial activities of the parties involved to provide effective services for children and families served. This agreement shall be in affect from May 13, 2020 through June 30, 2021 and will be reviewed annually for necessary updates.

PURPOSE

The purpose of this agreement is to describe the responsibilities of each agency and to provide guidance for coordination and cooperation between local education agencies and Head Start. In order to meet new requirements of the Elementary and Secondary Education Act (ESEA), as amended by Every Student Succeeds Act (ESSA), requiring local educational agencies (LEAs) receiving Title I funds to:

1. Establish channels of communication between school staff and Head Start staff;
2. Receive and transfer children's records, enrollment, parent communication;
3. Conduct parent meetings with Head Start teachers and kindergarten or elementary school teachers;
4. Organize and participate in joint transition-related training of Head Start staff, school staff, and early childhood education staff, as appropriate; and
5. Link LEA educational services with Head Start agency services.

Required Activities

Describe the activities (listed above), along with each agency's responsibilities to the required activities. In addition, describe how implementation of the activities will be monitored. Examples are provided for each activity. Please note: These are examples and are designed to represent possible activities that may be developed between parties. Please include activities that make sense for your specific organizations.

Activity 1: Establish channels of communication between school staff and their counterparts. Communications will occur between the Warren County School District's Director of Curriculum and Instruction and the Education Coordinator of Head Start for Warren County on a quarterly basis to discuss issues of activity implementation.

Specifics of local communications between school building staff and the respective Head Start program about sending students to each specific school building will take place through a variety of ways such as:

- Pre K Coalition Meetings
- Email
- Phone
- Visitations
 - Pre K teachers will be invited to attend school open house to serve as greeters for incoming kindergarten students and families.
 - WCSD principals and teachers will be invited to attend Head Start Open House for a Kindergarten Q and A session with families.
 - Head Start classes will visit schools and classrooms.

Activity 2: Develop and implement a systematic procedure for receiving records regarding children who will attend the schools of the LEA.

The Head Start agency will assure the Head Start programs compile records of children transitioning into the Warren County School District and will seek parent consent (and comply with FERPA) to transfer these records. Records will be shared with the Warren County School District no later than June 1st. The Warren County School District will receive, file, and utilize the files shared with them. Records obtained by the Warren County School District shall be treated as education records by the District and governed by FERPA while in the possession of the District. The Warren County School District will assure that the kindergarten teacher and certified school nurse have access to and utilize the information shared from the Head Start agency.

- Head Start will, with parental permission, share the following information with schools:
 - Hearing screening results
 - Vision screening results
 - Ages and Stages results for development
 - Ages and Stages results for social/emotional

The Head Start agency and the Warren County School District shall work cooperatively to maintain the confidentiality of education records in accordance with FERPA.

Activity 3: Conduct and attend meetings involving parents, kindergarten or elementary school teachers, and Head Start teachers, and, if appropriate, teachers from other early childhood education programs to discuss the developmental and other needs of individual children.

Head Start agency will coordinate an annual meeting with families and receiving school staff to discuss the developmental and other needs of individual children. A district-wide event will occur annually and local meetings will occur between select school building staff and the respective Head Start program sending students to each specific school building.

Activity 4: Joint transition-related training will occur between the Director of Curriculum, Instruction, and Assessment and the Education Coordinator of Head Start on a biannual basis.

The Warren County School District and Head Start program staff will actively participate in two Transition Round Tables that occur annually and are implemented through the County Level Transition Team. In addition, Warren County School District's Director of Curriculum and Instruction and/or his/her designee and the Director of Head Start and/or her designee will actively participate in the planning team for these events.

Activity 5: LEA will link the educational services provided by such LEA with the services provided by the local Head Start agencies.

The Warren County School District and Head Start agency will coordinate efforts to ensure that families have the necessary information to access high-quality early childhood care and education. Head Start agencies will collaborate and coordinate with public and private entities to improve the availability of quality services for Head Start children and their families. In addition, the Warren County School District will offer school spaces for Head Start family events, and if feasible, to expand Head Start services into specific school buildings.
