## SCHOOL DISTRICT

Striving for Personal  
& Academic Excellence

Educationally empowering the students of Warren County to think critically, solve problems, and be prepared for the career of their choosing.

The Warren County School District offers exemplary educational opportunities K-12 with gifted and highly gifted programming, middle level "Schools-to-Watch," online learning, AP Courses, vocational technical training, and dual enrollment opportunities through a number of institutions of higher education where students earn both high school and college credits.
